The Bull from the Sea Nov 02 2022 'Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us' HILARY MANTEL 'Mary Renault's portraits of the ancient world are fierce, complex and eloquent, infused at every turn with her life-long passion for the Classics. Her characters live vividly both in their own time, and in ours' MADELINE MILLER The sequel to *The King Must Die*. *The Bull from the Sea* continues the story of the hero Theseus after his return from Crete. Having freed the city of Athens from the onerous tribute demanded by the ruler of Knossos - the sacrifice of noble youths and maidens to the appetite of the Labyrinth's monster - Theseus has returned home to find his father dead and himself the new king. But his adventures have only just begun: he still must confront the Amazons, capture their queen, Hippolyta, and face the tragic results of Phaedra's jealous rage. Piecing together the fragments of myth and using her deep understanding of the cultures reflected in these legends, Mary Renault has constructed an enthralling narrative of a time when heroes battled monsters and gods strode the earth. 'There's much to say about her interweaving of myth and history and, just as interestingly, there's much to wonder at in the way she fills in the large dark spaces where we know next to nothing about the times she describes . . . an important and wonderful writer . . . she set a course into serious-minded, psychologically intense historical fiction that today seems more important than ever' Sam Jordison, *Guardian*

Theseus and the Minotaur Oct 21 2021

The King Must Die Aug 31 2022 New York Times Bestseller: This retelling of the Greek myth of Theseus, king of Athens, is "one of the truly fine historical novels of modern times" (The New York Times). In myth, Theseus was the slayer of the child-devouring Minotaur in Crete. What the founder-hero might have been in real life is another question, brilliantly explored in *The King Must Die*. Drawing on modern scholarship and archaeological findings at Knossos, Mary Renault's Theseus is an utterly lifelike figure—a king of immense charisma, whose boundless strivings flow from strength and weakness—but also one steered by implacable prophecy. The story follows Theseus's adventures from Troizen to Eleusis, where the death in the book's title is to take place, and from Athens to Crete, where he learns to jump bulls and is named king of the victims. Richly imbued with the spirit of its time, this is a page-turner as well as a daring act of imagination. Renault's story of Theseus continues with the sequel *The Bull from the Sea*. This ebook features an illustrated biography of Mary Renault including rare images of the author.

The King Must Die; The Bull from the Sea Jun 16 2021 A hardcover omnibus edition of the two classic novels in which Mary Renault brilliantly recreated the legendary hero Theseus and his defeat of the Minotaur. CONTEMPORARY CLASSICS. In her inventive novels of ancient Greece, Mary Renault performs the alchemical feats of fashioning from the myth of Theseus a convincingly flawed hero and of weaving a thrillingly plausible account of the events that inspired the fantastical tale of the Labyrinth and the Minotaur. *The King Must Die* follows young Theseus from his mystery-shrouded birth and youthful insecurity about his small size, through his growing strength and ingenuity to a dawning belief in his destiny. When teenaged Theseus sets out to join his true father, the King of Athens, he is delayed by unforeseen adventures: first by a perilous forced sojourn in the matriarchal society of Eleusis and next when he volunteers to join the annual tribute of Athenian youths sent to be sacrificed to a bull-worshipping cult on the island of Crete. Once trapped in the labyrinthine palace of King Minos, Theseus enlists the help of the high priestess Ariadne in a daring plan to free the Athenians forever from the dominance of Crete. *The Bull from the Sea* begins after Theseus's triumphal return to Athens, where he finds that his father has died and he is now king. But his confidence in his divinely ordained destiny will be shaken by the adventures yet ahead of him: a life-changing encounter with Hippolyta, queen of the Amazons; the birth of a son who will insist on choosing his own path; and the tragic results of his wife Phaedra's treachery. Combining her deep understanding of the cultures of the ancient Greek world with inspired speculation, Renault brings the heroes and monsters of legend enthrallingly to life. Everyman's Library pursues the highest production standards, printing on acid-free cream-colored paper, with full-cloth cases with two-color foil stamping, decorative endpapers, silk ribbon markers, European-style half-round spines, and a full-color illustrated jacket.
