The Monstrous & the Vulnerable Oct 21 2019 In June 2014, Abu Bakr al-Baghdadi declared an Islamic State in Iraq and Syria and called for Muslims around the world to migrate there. Over the next five years, around 150 women left the UK to heed this invitation, and the so-called 'jihadi brides' were rarely out of the news. This book traces the media fascination with those who joined the 'caliphate', including Sally Jones, Aqsa Mahmood and Shamima Begum. Through an analysis of the media that presented the 'brides' for public consumption, Leonie B. Jackson reveals the gendered dualistic construction of IS women as either monstrous or vulnerable. Just as the monstrous woman was sensationalised as irredeemably evil, the vulnerable girl was represented as groomed and naïve. Both subjects were constructed in such a way that women's involvement in jihadism was detached from men's, scrutinised more closely, and explained through gender stereotypes that both erased the agency of female extremists and neglected their stated motivations. As Jackson demonstrates, these media representations also contributed to the development of new norms for dealing with the 'brides', including targeted killing and the revocation of citizenship. While the vulnerable

girl was potentially redeemable, the monstrous woman was increasingly considered expendable.

Tabloiding the Truth Jan 04 2021 What skills do journalists exhibit in sensationalising, exaggerating and otherwise 'tabloiding' the truth, while usually stopping short of stating unambiguous falsehoods? Why has the tabloid news not collapsed as predicted, but thrived as a medium in an age of interaction and online commentary? This book is a comprehensive and accessible exploration of the British tabloid newspapers from the 1960s to the present day. Examining topics such as sex and the representation of women, national stereotypes and Britain's relationship with Europe, war coverage, celebrities, investigative journalism and instances where the tabloids have misread the public mood, the author draws on Critical Discourse Analysis and Stylistics to take a language-led approach to the UK tabloids. With its interdisciplinary approach and readable prose style, this book will be of interest to a wide range of readers across language and linguistics, media and communication, journalism, political science and British cultural studies.

Return to Moondilla Jul 22 2022 Return to Moondilla tells the story of former journalist, Greg Baxter, who's recently returned to the Moondilla area he grew up in to finish writing what he hopes will be a bestselling novel. Far from being able to concentrate on his novel, though, Baxter is drawn into an investigation into a local drug dealing ring that puts his life in danger. He's also the subject of attention of numerous single women in Moondilla, including the local doctor he once had a crush on, Julie Rankin. After an attempt on his life, Baxter is hugely relieved when the drug ring is broken open. Finally able to finish his novel, he's elated by its success and also finds himself in love. With Return to Moondilla, popular Australian author, Tony Parsons, has written another action-packed novel combining a rural setting with a crime subplot and some romance.

The Open Secret Sep 12 2021 'Throughout my early life I felt that there was another possibility which, once realised, would transform all and everything. One day that possibility became a reality, and it was simple and ordinary, magnificent and revolutionary. It is the open secret that reveals itself in every part of our lives. But realisation does not emerge through our attempts to change our lives, it comes as a direct rediscovery of who it is that lives. The Open Secret is a singular and radical work which speaks of the fundamental liberation that is absolutely beyond effort, path, process or belief.'

The Call of the High Country May 20 2022 In the heart of Australia's rugged high country, three generations of the MacLeod family battle to make a living on the land. As a young married couple, Andrew and Anne work together to make the very best of their property, High Peaks, but at what cost to their happiness? In time, the property will pass to their son, David. Handsome and hardworking, David is determined to become the best sheepdog handler in the land. Nothing is going to stand in his way-not even the beautiful Catriona Campbell, daughter of the wealthy graziers next door. "the Call Of The High Country" is an inspiring and heartwarming saga of a family battling through hard times, of a love that defies all odds, and of dreams that won't be broken.

A Tightly-Whitie Wind Sep 19 2019 Hold on to your undies! There's a storm a-brewin'. It's a dreaded tightly-whitie wind and no undies are safe. When this terror of tightly-whities tears through the farm it spreads underwear about and each animal gets their own pair. To the horse, they'll make a nice feed bag. To the cow, they'll make a wonderful udder warmer. But don't let the goat get a pair. He'll just eat 'em up!

Taking Turns Apr 07 2021 Sun and Moon have been together for a lifetime. Can they resolve their differences? A whimsical tale written with a universal theme about restoring balance. Moon's refusal to take turns with Sun to gain more attention not only impacts his friend, Sun, but

affects our whole planet, Earth. Fun facts about our Sun and Moon included. Filled with nature, science and how Sun and Moon resolve their differences, *Taking Turns*, offered in both English and Spanish, provides social skills for children to learn kindness, sharing and friendship with a science theme. This book follows the common core standards for English, Science, Spanish and in social skills for children up to grade five.

The Hanging Club Jul 10 2021 A band of vigilante executioners roam the hot summer nights, abducting evil men who they judge unworthy of living and hanging them by the neck until dead. Sentenced to death is the gang member who abused dozens of vulnerable girls, the wealthy drunk driver who mowed down a child, the drug addict who put a pensioner in a coma and the hate preacher calling for the murder of British troops. But do these rogue hangmen crave true justice—or just blood? As the bodies pile up and violence explodes all over the sweltering city, DC Max Wolfe—dog lover, single parent, defender of the weak—embarks on his most dangerous investigation yet, hunting a righteous gang of vigilante killers who many believe to be heroes. The search will take Max from squalid backstreets, where religious fanaticism breeds, to mansions in mourning and all the way to the secret rooms of power where decisions are weighed about life and death. But before *The Hanging Club* is confronted, Max Wolfe must learn some painful truths about the fragile line between good and evil, innocence and guilt, justice and retribution. And discover that the lust for revenge starts very close to home.

Your Neighbour's Wife Jun 21 2022 'Hard to put down, I tore through it in two sittings. This tale of an illicit one-night stand with devastating consequences is a hugely enjoyable read.' ALEX MICHAELIDES, author of *The Silent Patient* 'Bears comparison with his 2000 novel, *Man and Boy* ... Laced with humanity and the shadow of guilt, this is Parsons at his very best.' DAILY MAIL 'Such a compelling read - and a brilliant depiction of both marriage and infidelity. There's unputdownable and there's walking-into-lamp-posts with the latest Tony Parsons in your hand.' CELIA WALDEN _____ What do you do when your perfect life spins out of control? A gripping psychological thriller that combines the emotional warmth of *Man and Boy* with the page-turning excitement of *The Murder Bag*. Tara Carver seems to have the perfect life. A loving mother and wife, and a business woman who runs her own company, she's the sort of person you'd want to live next door to, who might even become your best friend. But what sort of person is she really? Because in one night of madness, on a work trip far from home, she puts all this at risk. And suddenly her dream life becomes a living nightmare when the married man she spent one night with tells her he wants a serious relationship with her. And that he won't leave her or her precious family alone until she agrees. There seems to be only one way out. And it involves murder... _____ 'Emotionally powerful, beautifully written and observed, this is one to savour.' CARA HUNTER, author of *Close to Home* and *All the Rage* 'Tony Parsons excels at presenting his narratives in the clearest possible prose while revealing the toughest of human emotions ... fast-moving and involving' LITERARY REVIEW 'I can testify it is a real humdinger!' PIERS MORGAN '100% unputdownable. High on my list for a lockdown read so an ideal gift to send to your locked-down Valentines ... No gift like the gift of an up to the Insta moment page-turner' OLIVIA COLE 'A roller-coaster read' BELLA *Being* Aug 11 2021 "Spiritual" dialogues usually aim to guide the seeker towards enlightenment, towards escape from identification as a suffering individual. In *Being: The Bottom Line*, however, Nathan Gill points out that "enlightenment" only appears significant from the viewpoint of "me" - it's only the story of "me" that requires enlightenment. Your true nature is Being, and Being is already all that is (even when there is seeming ignorance of that), with no requirements whatsoever.

Revenge Apr 26 2020 THE SUNDAY TIMES NO. 1 BESTSELLER 'Explosive' The Sun 'Accounts from insiders who have never spoken before' The Times 'Bombshell' The Mirror The British Royal Family believed that the dizzy success of the Sussex wedding, watched and celebrated around the world, was the beginning of a new era for the Windsors. Yet, within one tumultuous year, the dream became a nightmare. In the aftermath of the infamous Megxit split and the Oprah Winfrey interview, the Royal Family's fate seems persistently threatened. The public remains puzzled. Meghan's success has alternatively won praise, bewildered and outraged. Confused by the Sussexes' slick publicity, few understand the real Meghan Markle. What lies ahead for Meghan? And what has happened to the family she married into? Can the Windsors restore their reputation? With extensive research, expert sourcing and interviews from insiders who have never spoken before, Tom Bower, Britain's leading investigative biographer, unpicks the tangled web of courtroom drama, courtier politics and thwarted childhood dreams to uncover an astonishing story of love, betrayal, secrets and revenge.

Valley of the White Gold Feb 23 2020 The Half Moon Valley is not easy to farm, nor are its inhabitants easy to know. But the valley produces the best superfine merino wool in the country, and Dan Stafford is its top woolgrower. Dan relies on his capable son, Jim, and his two eye-catching daughters, Bella and Beth, to help run the property. Now he is battling to retain its prize-winning status. When Bella marries and moves away, and the neighbouring property is sold to an outsider, Dan is unnerved. At least Beth seems content to remain on the land. But Dan's new woolclasser, the intriguing Rod Cameron, turns out to be more than Dan bargained for. With Rod on the scene, Dan's status and Beth's future are far from assured.

Back to the Pilliga Aug 23 2022 It was always expected that Lachie Sinclair and his brothers would one day take over the family property, Kamilaroi. But when tragedy strikes, Lachlan blames his father and angrily renounces any future for him at Kamilaroi. Moving to the city,

Lachie joins the police force and quickly rises through the ranks. But after being injured in a gunfight he decides to go out on his own as a private investigator. When a wealthy society woman asks Lachie to lead the search for her missing daughter, he reluctantly agrees. Early indications are that the woman's captors are hiding her in the Pilliga region, meaning Lachie must return to his roots in order to try and save her life.

The Hanging Club Jul 18 2019 “Tony Parsons puts you right there in every scene he writes. I love that kind of storytelling and I’m a D.C. Max Wolfe fan.” – James Patterson A band of vigilante executioners roam London's hot summer nights, abducting evil men and hanging them by the neck until dead. As the bodies pile up and riots explode across the sweltering city, DC Max Wolfe hunts a gang of killers who many believe to be heroes. And discovers that the lust for revenge starts very close to home ... Praise for *The Hanging Club* “This is Parson’s best crime novel so far and underlines his exceptional talent” (Daily Mail) "I've long been a fan of Tony Parson's writing...This is brilliant stuff" (Peter James) "Spectacular! Tense and human, fast and authentic" (Lee Child) ‘Has all the ingredients and more: great plotting, great characters and at least two eye-widening twists I didn't see coming.’ (Sophie Hannah) "If you haven’t already become a fan, the third outing for Max Wolfe is the perfect introduction to the London underworld that Tony Parsons has so vividly created...Wolfe’s cases couldn’t feel more of-the-minute" (GQ) “A gripping page-turning book that will demand your full attention” (Irish Examiner) “Fast paced and gripping” (Best Special Series) “Parsons had me gripped from the first chapter to the last sentence” (Irish independent) “A cleverly plotted page-turner, with touches of Cracker and Nordic Noir, all soaked in the atmosphere of London’s murky back-streets” (CSMA Club Life magazine) Praise for Tony Parsons... “It’s all as addictive as your favourite boxset...it contains more twists than a contortionist caught in a tornado” (The Shortlist) "Told with clarity and insight ... Confirms Parsons has earned a place at the very pinnacle of British crime writing" (Daily Mail) “Tense...with a dose of dry wit” (The Daily Express) “A taut always engaging thriller” (The Sun) “I put my life on hold while I was reading because I couldn't tear myself away from the gripping story... It's complicated, brutal but Tony Parsons has managed to weave the brutality into a truly brilliant story” (Bestselling Crime Thrillers) “It's a brilliant crime novel, a thrilling procedural. Max Wolfe is a wonderfully endearing character, smart and tough and vulnerable, and with Scout (and Stan too) Tony has created so much warmth and tenderness, in a world, a genre, so often devoid of it. His research is wide, deep, impeccable - from forensics to the psychology, procedure to protocol. And boy does he know how to create suspense, and convincing plot lines, which snake and weave, and surprise right until the very end. This is a complex, shocking, very contemporary story, told with utter conviction and authority. I was hooked from page one. Crime writing has a brilliant new star” (Henry Sutton) “Sometimes, rarely, you know from the first chapter or so of a novel that you're in the hands of a master story teller. In the case of Tony Parsons...we know this within the first few pages. A relentless plot, evocative prose and compelling (and wrenching) portraits of the characters, good and evil, conspire to make this a must-read" (Jeffery Deaver) “Superbly crafted crime drama that grips from start to finish” (The Sunday Post) “Fast paced and gripping” (The Scotsman) ‘[Tony Parsons'] writing pedigree is first class. It

shows in this terrific thriller, and Max Wolfe is a class act, a brilliant character that has to feature again ... Absolutely stunning!' (Books Monthly)

Tony Parsons on Life, Death and Breakfast Feb 17 2022 Humour and honesty are combined in these wonderfully observed pieces on romance, sex, marriage, fake breasts, performance anxiety, car envy, airport security and more.

I Hope You Die Soon Mar 18 2022 This is an uncompromising and provocative book about non-duality. In liberation it is seen that all phenomena simply arise in awareness with no person mediating them. Purpose, religion and paths of spiritual development all lose their meaning when it is seen that there is no one who exercises choice. "The most common misconception about liberation is that it is something an individual can gain. But liberation is a loss—the loss of the sense that there ever was a separate individual who could choose to do something to bring about liberation. When it is seen that there is no separation, the sense of vulnerability and fear that attaches to the individual falls away ... then life is simply lived and relaxation takes place. There is a sense of ease with whatever is the case and an end to grasping for what might be." —From *I Hope You Die Soon*

Very Bangkok Jan 24 2020 Bangkok arrests the visitor with a bewildering juxtaposition of old and new, high-tech and impromptu, sacred and profane. While modernizing apace and a myriad outside influences, the Thai capital draws equal vigor from its historical communities, cultural diversity and contemporary urban tribes. Author of *Very Thai* and *Time Out Bangkok*, Philip Cornwel-Smith takes an alternative look at the subcultures of his adopted town in this practical thematic handbook. With the aid of maps, listings and references, the visitor can engage with Bangkok's contradictory character according to their mood or interest. Explore the city's contrasting environments, architectural fabric, ethnic patchwork and intertwined beliefs. Encounter distinct social scenes, where the hip or hi-so, local or bohemian and see how traditional roots infuse the current Thai flowering in arts and entertainments, fashion and food lifestyle and spas. Photography by Philip Cornwel-Smith and others enhances this insiders' guide to a city like no other.

Kelpie May 08 2021 Set to become the classic work on the breed for many years to come, Tony Parsons' *The Kelpie* is the culmination of sixty-five years of experience in breeding and training Kelpies, while also researching their origins and promoting the breed worldwide. This fully illustrated and authoritative work contains everything you might want to know about this renowned dog. On virtually every page of this book Tony Parsons reveals his deep respect and affection for this great Australian dog. This major work will be an invaluable reference for Kelpie breeders, owners and enthusiasts throughout the world.

Elton Mar 06 2021 One of music's true global superstars and most admired figures, Elton John has sold an estimated 200 million albums worldwide to date, and continues to appear regularly in the singles charts, thanks largely to a series of high-profile collaborations with new faces. But he is loved as much for his outrageous personality and witty outspokenness as for his music: recent memorable outbursts have included a public comment that "people who charge •75 and lip-sync should be shot" and calling some pushy photographers "rude, vile pigs." He has even admitted that, in one of his more comedic cocaine-fueled moments, he phoned one of his management team "to tell him to do something about the wind outside my hotel room." Such shamelessness and sheer silliness rivals anything uttered by punk rockers, yet it is so typically Elton: honest and wittily intemperate. Tragedy and heartbreak have played a large part in his life too. Behind the parties, the hedonism, the lavish stage costumes and silly glasses lies a more somber story. There have been disputes with managers, legal wranglings,

splits with partners, and a divorce. Added to that there have been serious health problems, a very public battle with his expanding waistline and receding hairline, drug addictions, and spells when he wanted to quit the music business altogether. But now, at 60 years old, Elton enjoys a stable relationship with his husband David Furnish. His demons have been overcome. His commercial and critical stock is rising. With popular acts like the Scissor Sisters sounding more like Elton than Elton himself, Elton John is finally cool again. Drawing on many firsthand interviews with his associates and musical collaborators, this page-turning story of high drama and prodigious talent traces Elton's astonishing journey through life as the colossus of camp, while also offering a critical history of his work and analyzing afresh his contribution to popular music.

Silver in the Sun Sep 24 2022 When handsome young Ian Richardson inherits Kanimbla, a vast merino stud property in the Queensland Murrawee district, there's great speculation about whether he'll sell and take the money and run back to England. But Ian soon proves himself to be a capable boss, earning the respect of his employees, and winning hearts too, especially that of the beautiful Fiona McDonald. Ian finds Kanimbla threatened by falling wool prices, and works hard to give the property a new direction. The energy he brings is infectious, and when he suggests that the community pull together to rescue their dying township, even the most reluctant sheep farmers and cattlemen stand up to be counted. Then Ian receives a letter from his parents' estate, and suddenly everything is thrown into question. 'An inspiring tale of one man's courage and vision' LAKES POST 'This bestselling author delivers the goods again . . . I couldn't put it down.' SOUTH COAST REGISTER

Man and Boy Dec 15 2021 Harry Silver has everything that money can buy, and everything it can't. He's a successful TV producer, with a beautiful wife and an adorable young son. Yet something is niggling Harry. He's about to turn 30, and the end of his youth seems to be looming.

The Noma Guide to Fermentation Mar 26 2020 New York Times Bestseller A New York Times Best Cookbook of Fall 2018? “An indispensable manual for home cooks and pro chefs.” —Wired At Noma—four times named the world's best restaurant—every dish includes some form of fermentation, whether it's a bright hit of vinegar, a deeply savory miso, an electrifying drop of garum, or the sweet intensity of black garlic. Fermentation is one of the foundations behind Noma's extraordinary flavor profiles. Now René Redzepi, chef and co-owner of Noma, and David Zilber, the chef who runs the restaurant's acclaimed fermentation lab, share never-before-revealed techniques to creating Noma's extensive pantry of ferments. And they do so with a book conceived specifically to share their knowledge and techniques with home cooks. With more than 500 step-by-step photographs and illustrations, and with every recipe approachably written and meticulously tested, *The Noma Guide to Fermentation* takes readers far beyond the typical kimchi and sauerkraut to include koji, kombuchas, shoyus, misos, lacto-ferments, vinegars, garums, and black fruits and vegetables. And—perhaps even more important—it shows how to use these game-changing pantry ingredients in more than 100 original recipes. Fermentation is already building as the most significant new direction in food (and health). With *The Noma Guide to Fermentation*, it's about to be taken to a whole new level.

Labour's Antisemitism Crisis May 28 2020 Between 2015 and 2020 the Labour Party was riven by allegations that the party had tolerated antisemitism. For the Labour right, and some in the media, the fact that such allegations could be made was proof of a moral collapse under Jeremy Corbyn's leadership. Sections of the left, meanwhile, sought to resist the accusations by claiming that the numbers of people accused of racism were few, that the allegations were an orchestrated attack, and that those found guilty were excluded from the party. This important

book by one of Britain's leading historians of anti-fascism gives a more detailed account than any yet published of what went wrong in Labour. Renton rejects those on the right who sought to exploit the issue for factional advantage. He also criticises those of his comrades on the left who were ignorant about what most British Jews think and demonstrated a willingness to antagonise them. This book will appeal to anyone who cares about antisemitism or left-wing politics.

East of the Sun Dec 03 2020 From award winner Julia Gregson, author of *Jasmine Nights*, this sweeping international bestseller brilliantly captures the lives of three young women on their way to a new life in India during the 1920s. As the *Kaisar-I-Hind* weighs anchor for Bombay in the autumn of 1928, its passengers ponder their fate in a distant land. They are part of the "Fishing Fleet"—the name given to the legions of English women who sail to India each year in search of husbands, heedless of the life that awaits them. The inexperienced chaperone Viva Holloway has been entrusted to watch over three unsettling charges. There's Rose, as beautiful as she is naïve, who plans to marry a cavalry officer she has met a mere handful of times. Her bridesmaid, Victoria, is hell-bent on losing her virginity en route before finding a husband of her own. And shadowing them all is the malevolent presence of a disturbed schoolboy named Guy Glover. From the parties of the wealthy Bombay socialites to the poverty of Tamarind Street, from the sooty streets of London to the genteel conversation of the Bombay Yacht Club, *East of the Sun* takes us back to a world we hardly understand but yearn to know. This is a book that has it all: glorious detail, fascinating characters, and masterful storytelling.

The Insider Nov 21 2019 The Insider dominated the media on publication in March 2005 and instantly became a No.1 bestseller. Not only did it fill thousands of column inches with its revelations about prominent political and showbiz figures, it was critically acclaimed across the broadsheets for its unique and fascinating insight into the worlds of celebrity, royalty, politics and the media. Piers Morgan was made editor of the News of the World, the UK's biggest-selling Sunday newspaper at the record-breaking age of 28. The decade that followed was one of the most tumultuous in modern times. In a world of indiscreet dinners, private meetings and gossipy lunches, Piers Morgan found himself in the thick of it. His diaries from this remarkable period reveal astonishing and hilarious encounters with an endless list of celebrities and politicians alike: Diana, William, Charles and Camilla; Tony Blair, Cherie, Gordon Brown; Paul McCartney, George Michael and Elton John; Jeremy Clarkson, Paula Yates and Gazza to name just a few. Entertaining, engaging and compulsive, The Insider was the most talked-about book of 2005, blowing apart every notion we have of politics, media and celebrity.
