**Early Retirement: a Roadmap to Success** Jun 26 2019 Having retired early in life at the age of 45, back in the late 80's, has been very advantageous to me. It gave me the time to devote many thousands of hours to this project and it should be very beneficial to you, as a reader. This book illustrates what has worked very profitably for me in the past and continues to work profitably to this day. In this book, there are valuable tips and some good sound financial and fundamental information. As President of three Corporations and three companies, from 1965 to present day, it has kept me quite busy over time. In the 90's, as Owner, Producer, Director, and Host of a popular Radio Travel Show in southwest Florida, I was quite content. At the time, I felt I had done quite a bit in my life, but I also felt one project was missing. I had been asked many times, how I retired so young, and how I achieved my success in life. So one day in 2004, I said to myself why not sit down and write about it, hence this book. I do say at times, I am really in semi-retirement, very busy having fun. This book was written with good intentions, morals, and family values. As you read on, it is for all to enjoy, from ages 9 to 90. **Early Retirement: A Road Map to Success** is a timeless book.

**Do You Believe in Angels** Jul 20 2021 On the Burning Bush Website <http://burningbushcrusades.com/> If you check out the memoirs you'll read how God taught us in our early Christian walk. If you check out the Question & Answer section, you'll find God given answers for your everyday Christian walk.

*A Savage Life* Jan 14 2021 Radio legend Michael Savage reveals the man behind the microphone, sharing his extraordinary American journey and the adventures that shaped him. **\*\*FEATURING EXCLUSIVE, NEVER-BEFORE-PUBLISHED NEW MATERIAL\*\*** For twenty-five years, Michael Savage has captivated listeners on his national radio show *The Savage Nation*, which reaches a loyal audience of more than ten million each week. In *A Savage Life*, the usually private man tells his own compelling story in forty-six vignettes that span his childhood to today. These tales of Savage's journey from poor immigrant's son in New York City to media star are deeply personal and revealing: he writes of being so poor as a child that he had to wear a dead man's pants; of the various trials that beset his parents and "silent brother," Jerome, who was sent to an institution; of his botanical expeditions to Fiji in the 1970's; and, most of all, of his family, his sustaining force throughout. "A marvelous storyteller." — **THE NEW YORKER** "Vivid storytelling." — **WASHINGTON TIMES**

*Popular Science* Aug 21 2021 *Popular Science* gives our readers the information and tools to improve their

technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

*Motorized Bicycles* Jun 06 2020 *Motorized Bicycles* traces the history of the motorized bicycle from the pioneers of motorized cycles to the modern electric bicycle.

*The Small-Engine Handbook* Dec 13 2020 Peter Hunn. It's common for homeowners to have 2- or 4-cycle small engines in their lawn and garden equipment, utility vehicles, recreational vehicles, generators and other machines. With this easy-to-follow, richly illustrated handbook, homeowners will be able to understand small engines, troubleshooting them and working on them. The book has a brief history of significant and popular small engines and a guide to setting up a home workshop in which to work on them. It also includes case studies on the disassembly, maintenance, repair and/or rebuilding of: a 2-stroke lawnmower engine, a 4-stroke utility motor, a 2-stroke chainsaw engine, and a curbside junker. The writing is lively and entertaining and the color photos clearly show how to work on these useful engines.

*American Green: The Obsessive Quest for the Perfect Lawn* Feb 24 2022 "Ted Steinberg proves once again that he is a master storyteller as well as our foremost environmental historian."—Mike Davis The rise of the perfect lawn represents one of the most profound transformations in the history of the American landscape. *American Green*, Ted Steinberg's witty exposé of this bizarre phenomenon, traces the history of the lawn from its explosion in the postwar suburban community of Levittown to the present love affair with turf colorants, leaf blowers, and riding mowers.

*Perseverance: Broke to Billions* Sep 21 2021 Through his own story of hardship and triumph, Chuck Whittall shares the principles he used to overcome obstacles that can derail a business. In *Perseverance: Broke to Billions*, Whittall details what he's learned—from making key decisions and raising capital, to overcoming financial deficits and evaluating prospective opportunities.

**A Death in China** Feb 12 2021 An American investigates a murder amid the secrecy and corruption of China in this crime thriller from the *New York Times*—bestselling author of *Razor Girl*. Art history professor Tom Stratton hasn't seen his former mentor David Wang for years—until they unexpectedly run into each other while Stratton is on a guided tour of China. But the reunion doesn't last long. After Wang is found dead—and the American embassy fumbles the investigation—Stratton sets out to solve the mystery of the killing on his own. Before long, he's tangled in a web of corruption that reaches the highest seats of power. Beset by the suffocating secrecy and subterfuge of communist China, Stratton must find his friend's murderer—before the fury of a brutal conspiracy closes in on him. Along with *Powder Burn* and *Trap Line*, this international mystery is one of the early suspense thrillers written by Carl Hiaasen and Bill Montalbano, a writing team praised for their "fine flair for characters and settings" (*Library Journal*).

**Come Day in Night** Oct 30 2019 When Sam White Jr., a white high school student, is asked to start playing drums at the Ebenezer African Methodist Episcopal Church—a predominately Black church-on Sundays, tensions begin to heighten in a Texas town that refuses to acknowledge their place in the Civil Rights era. Sam begins to question the morality of his own family's ties to the Confederacy when his Black classmates reveal their family histories. Sam's father takes him to a KKK rally to set his son straight, an act that does nothing to change Sam's stance. He then begins to speak out against the strong racial dogma apparent in his town, spurring on several attacks on himself and his friends. Meanwhile, Sam's mother remains locked in a mental asylum for reasons he does not know. Family relationships are tried, and new friendships unfold in this coming-of-age story about racial tension and doing what is right during hardship and iniquity.

**EVA** Jul 08 2020 Called "today's hottest financial idea and getting hotter" by fortune magazine, Economic Value Added (EVA) is the topic of conversation in financial circles around the world, from Germany and Japan to Singapore and South Africa. A revolutionary strategy for creating corporate and shareholder wealth that measures a company's real profitability, it has been adopted by such prominent corporations as Coca-Cola, Eli Lilly, and Siemens AG-with spectacular financial results. Yet, despite its increasing visibility, most executives still only have a vague notion of what EVA is and what it can do for their company. This groundbreaking book explains and clarifies all. Written by Al Ehrbar, a leading business journalist and senior vice president at EVA inventor Stern Stewart & Co., EVA: The Real Key to Creating Wealth provides a complete, accessible overview that examines how exactly EVA works, how it is measured, what it can do to structure incentives for employees, and why it is as potent as it is. At its most basic, Economic Value Added is a measure of corporate performance that differs from most others by charging profit for the cost of all the capital a company employs, including equity. To help translate principle into real-world practice, Ehrbar presents revealing case histories of EVA success stories, including those of Briggs & Stratton, the U.S. Postal Service, and Coca-Cola, which was catapulted from mediocrity to the number one wealth creator in the world with the addition of EVA. An in-depth look at a breakthrough idea whose impact is being felt from corporate boardrooms to Wall Street, this indispensable book is must reading for business leaders looking to fully grasp-and profit from-"the real key to creating wealth."

*Small Engine Care and Repair* Oct 03 2022 With this book, you can handle all of the maintenance needs of your four-stroke small engine, whatever the brand, and take on virtually any repair project. It guides you through each procedure in clear, concise steps, with more than 325 color photographs and illustrations. Small Engine Care & Repair provides more than just detailed instructions and glossy photos. It teaches you the principles of small engine operation, so you can broaden your knowledge, whether you're performing maintenance or repairs or just want to understand your equipment better. This book is a resource for beginners and seasoned home mechanics alike, with a wealth of information on specialty tools, safety and other issues affecting your small engine. This new, expanded edition has been revised to include an important section on seasonal maintenance, and updated to include the latest engines, maintenance products, and tools.

The Kid from Golden Jan 02 2020 "While Catherine Cox and I were writing Apollo, Jerry Bostick was one of a handful of people who became our go-to sources—the men who made the Apollo days come alive again. What great news that Jerry is now telling his story in all the detail that it deserves. It will be an indispensable source for future generations who want to understand that historic era." Charles Murray, co-author, Apollo When author Jerry Bostick was eight years old, his family had indoor plumbing installed in their home. He thought they were living in the lap of luxury. In *The Kid from Golden*, Bostick shares his life story beginning with his birth in June of 1939 in that house in Golden, Mississippi. This memoir narrates a chronological rendering of Bostick's family and memories and tells about his many accomplishments. *The Kid from Golden* discusses his early years growing up in rural Mississippi; to serving as a page in the US House of Representatives; to attending college; and working at NASA Mission Control during the Mercury, Gemini, Apollo and Skylab programs, Grumman Aerospace and United Space Alliance. Offering an insightful encapsulation of his career and personal life and the lessons learned throughout, Bostick dedicates *The Kid from Golden* to his grandchildren. He documents his stories and memories for the benefit of future generations.

*Sunday Afternoons and Other Times Remembered* Sep 29 2019 On the afternoon of Easter Sunday, 1992, Ben Ewell's brother, sister-in-law, and niece were all murdered. While trying to make sense of this staggering tragedy, Ben can't help but think back through his life: the hard work and the many peaceful Sunday afternoons growing up on his family farm in Ohio in a house without a bathroom or running water; his high school antics in the 1950s; his time in Haight-Ashbury while attending law school in 1960s San Francisco; and the highs and lows, both personal and professional, of life after school. Threaded throughout these reminiscences, Ben reveals the details of the investigation of his family members' murders—and the arrest and trial of the parties involved. In this decades-long saga, there is marriage and divorce, love and loss, family and friendship; there are political campaigns and business ventures, some failed and some fruitful. Ultimately, this is a story of perseverance in the face of tragedy, of creating opportunities out of problems, and of appreciating the gift of life and the world around us—with some humor along the way.

**The Legend of Briggs & Stratton** Nov 04 2022 The greatest small engines in the world are manufactured by Briggs & Stratton. From the informal partnership Stephen F. Briggs and Harold M. Stratton formed in 1908, Briggs & Stratton has evolved into an industry leader whose name is synonymous with the lawn mower engines it pioneered. *The Legend of Briggs & Stratton*, 208 pages, is filled with 125 color and 145 black & white images chronicling Briggs & Stratton's fascinating history.

[Small Engines and Outdoor Power Equipment](#) Nov 23 2021 This new book is more than a simple engine repair manual. Designed for the beginner with little or no mechanical experience, *Small Engines & Outdoor Power Equipment* is a graphically appealing, step-by-step guide that covers all of the most important engine maintenance and repair skills you'll need to keep your equipment running at peak performance. It also shows exactly how to perform mechanical upkeep and repairs on the most common outdoor power implements, including lawn mowers, snow blowers, chain saws, power washers, generators, leaf blowers, rototillers, wood splitters, lawn edgers, and weed whips. With clear 'how-to' photos and detailed diagrams, you'll see exactly what needs to be done. A comprehensive troubleshooting guide helps you define problems and enact solutions. With *Small Engines & Outdoor Power Equipment* in your library, you won't need to haul the lawn mower off to the repair center and wait a few weeks just because a filter is plugged or the old gas needs to be replaced. Among the many skills you'll learn are seasonal tune-ups, changing oil, servicing spark plugs, cleaning filters, replacing muffler, servicing the fuel tank, overhauling the carburetor, servicing brakes, inspecting flywheels, replacing the fuel pump, and replacing a rewind cord.

**Many are Cold but Few are Frozen** Apr 04 2020 Plain Tales from Antarctica are short stories based on real incidents that occurred during the author's two-year stay as a meteorologist at Halley 3, a British Research base in

Antarctica located about 500 miles from the South Pole. In 1973 to 1975, Graham Chambers was part of an eighteen-man (no women) research group that lived in this fascinating yet unforgiving landscape. He writes: "It was a unique experience and one with sights, sounds and smells which are not forgotten after forty years. "Each story is based on real events and essentially is a true recollection, barring a strictly limited amount of literary licence and the limitations of human recollection. It is worth mentioning in this respect the ' witness' phenomenon, whereby 12 people can witness the very same event and produce at least half a dozen unique recollections of it." "Thanks are due to the characters who inadvertently animated the stories. Some names have been changed and others not."

**How to Repair Briggs & Stratton Engines** Sep 02 2022 This practical, step-by-step guide advises on how to repair Briggs and Stratton engines, which power a wide variety of lawn mowers, garden tools, go-karts, air compressors and other light utility units. This edition has been updated to include current information on both new and old engines, as well as a new section on engine components and types.
