*The Hotel Nantucket* Jun 24 2019 "The queen of beach reads" (New York Magazine) delivers an immensely satisfying page-turner in this tale about a summer of scandal at a storied Nantucket hotel. Fresh off a bad breakup with a longtime boyfriend, Nantucket sweetheart Lizbet Keaton is desperately seeking a second act. When she's named the new general manager of the Hotel Nantucket, a once Gilded Age gem turned abandoned eyesore, she hopes that her local expertise and charismatic staff can win the favor of their new London billionaire owner, Xavier Darling, as well as that of Shelly Carpenter, the wildly popular Instagram tastemaker who can help put them back on the map. And while the Hotel Nantucket appears to be a blissful paradise, complete with a celebrity chef-run restaurant and an idyllic wellness center, there's a lot of drama behind closed doors. The staff (and guests) have complicated pasts, and the hotel can't seem to overcome the bad reputation it earned in 1922 when a tragic fire killed nineteen-year-old chambermaid Grace Hadley. With Grace gleefully haunting the halls, a staff harboring all kinds of secrets, and Lizbet's own romantic uncertainty, is the Hotel Nantucket destined for success or doom? Filled with the emotional depth and multiple points of view that characterize Hilderbrand's novels (The Blue Bistro, Golden Girl) as well as an added dash of Roaring Twenties history, The Hotel Nantucket offers something for everyone in this compelling summer drama.

*Betrayal* Jul 26 2019 Lydia Hamilton was a modern woman, happily in love and living in Canada ... until the nightmares. Following the death of her father, Lydia begins dreaming of places and people she doesn't know. When she closes her eyes, she sees a bloodied, severed head. The images are confusing and unclear, but she knows one thing for sure: something bad happened a long time ago. And why only now have the dreams begun? Events propel Lydia to Devon, England, to the home of the mother she never knew, where the lies of her family's past begin to reveal themselves dating back to the sixteenth century and a woman called Elisabeth Beeton, a servant at the Court of King Henry VIII. Caught amid forces she can neither control nor understand Elisabeth's life was in danger. How is Lydia's modern life related to the life of this tragic woman from the past? Without the guidance of her father, it's hard to say, but Lydia is dedicated to solving the mystery in an effort to put an end to her night terrors and save her relationship with the man she loves. But will the truth set her free, or will the realization of her family's past actions haunt her like the ghost of a woman betrayed?

Franks, Burgundians, and Aquitanians and the Royal Coronation Ceremony in France May 16 2021 Deals with two unusual French *ordines* in which relevance took precedence over tradition. In both the pregnant phrase *Franks, Burgundians, & Aquitanians* appeared in the prayer following the king's unction in the place traditionally occupied by the alien triad *Saxons, Mericians, & Northumbrians*. The ceremonial were thus transformed & made fully appropriate for the ruler of France. Contents of this study: (1) *Franks, Burgundians, & Aquitanians* in the 12th Century: The *Ordo* of Lat. 14192; (2) The Reappearance of *Franks, Burgundians, & Aquitanians* in Early Modern France: Jean du Tillet; Du Tillet's Version of the *Ordo Maior* of *Croix*; Theodore Godfrey & Du Tillet's *Ordo*; (3) Conclusion. Appendix: The *Ordo Maior* of *Croix*. Bibliography.

*This Time For Keeps* Oct 21 2021 Love was the death of her. Tracy Hill has lived eight lives-- all of them disastrous-- beginning in 1320 when her own knight in shining armor charged over her with his horse in the dark. Since then, it has been one freak accident after another. Now after the indignity of dying in a bowling ball accident while on a date with a cute new lawyer in her firm, Tracy Hill has had enough. However, Heaven's "Resettlement Committee" has other plans. For her ninth life, she is promised health, wealth, and absolutely no chance at love, this time around. But they leave out one tiny, little detail: she's being sent to live in Montana, on a cattle ranch in 1875. At least they got the No More Love part right. Seth Murdoch is dangerously attractive-- if you like the rugged cowboy type. Thankfully, Tracy doesn't. It's soon clear, though, that this thoroughly modern woman and this nineteenth-century cowboy share more than growing desire, spitfire backtalk, and nights of sleepless longing. They share a star-crossed eternity. And maybe-- just maybe-- this time around, love... and Tracy, are here to stay.

*This Time for Keeps* Aug 19 2021 Nora Wilding woke up in a body that wasn't her own. Her life in 21st century L.A. was brought to a humiliating end, and now her soul has been sent to a Montana ranch... in 1875! When she asked to return as a rich young woman, going back in time was not what she had in mind! Still, she can make the most of it. The important thing is to stay away from love. Each of her prior lives ended when she fell in love... but that doesn't mean she has to live without sex, right? Ranch foreman Seth Murdoch can't get over the change in Nora. No longer sickly and meek, this Nora is strong, stubborn, and set on seducing him into her bed. Seth promised her pa that he'd watch over her. That doesn't include giving in to the passion burning through his soul, no matter how tempting her sweet kisses may be. Under the starlit sky, the two surrender to feelings they can no longer deny. But if Nora braves that final step from lust to love, will she die yet again? Or this time, will she find Heaven in his arms?

Six Encounters with Lincoln Jun 04 2020 Winner of the Baroness/Lincoln Award from The Civil War Round Table of New York "Fascinating reading. . .this book eerily reflects some of today's key issues." -- The New York Times Book Review From an award-winning historian, an engrossing look at how Abraham Lincoln grappled with the challenges of leadership in an unruly democracy An awkward first meeting with U.S. Army officers, on the eve of the Civil War. A conversation on the White House portico with a young cavalry sergeant who was a fiercely dedicated abolitionist. A tense exchange on a navy ship with a Confederate editor and businessman. In this eye-opening book, Elisabeth Brown Pryor examines six intriguing, mostly unknown encounters that Abraham Lincoln had with his constituents. Taken together, they reveal his character and opinions in unexpected ways, illustrating his difficulties in managing a republic and creating a presidency. Pryor probes both the political demons that Lincoln battled in his ambitious exercise of power and the demons that arose from the very nature of democracy itself: the clamorous diversity of the populace, with its outspoken demands. She explores the trouble Lincoln sometimes had in communicating and in juggling the multiple concerns that make up being a political leader; how conflicted he was over the problem of emancipation; and the misperceptions Lincoln and the South held about each other. Pryor also provides a fascinating discussion of Lincoln's fondness for storytelling and how he used his skills as a raconteur to enhance both his personal and political power. Based on scrupulous research that draws on hundreds of eyewitness letters, diaries, and newspaper excerpts, Six Encounters with Lincoln offers a fresh portrait of Lincoln as the beleaguered politician who was not especially popular with the people he needed to govern with, and who had to deal with the many critics, naysayers, and dilemmas he faced without always knowing the right answer. What it shows most clearly is that greatness was not simply laid on Lincoln's shoulders like a mantle, but was won in fits and starts.

Proud City Apr 14 2021 "Proud City will have reason to be proud!" —June Schmid Amo Sulaiman tells us that we currently live in a millennial age, precipitating all manner of cultural and political re-evaluation. Proud City proposes a reasonable solution to all the world's problems by allowing the youth to break free of the shackles of the oldies and revise society and law accordingly. If only the youth could lead the world, everything would be all right. This book is one that can be read in many different ways rather than having a single, rigid meaning. "Incredible. It's like reading ten books in one. It makes you think and yet laugh, serious and yet witty." —Marylou Bregy, TILT Magazine Minnesota Magazine Jun 28 2022

Joy School Mar 02 2020 In this exquisite new novel by bestselling writer Elizabeth Berg, a young woman falls in love -- and learns how sorrow can lead to an understanding of joy. Katie, the narrator, has relocated to Missouri with her distant, occasionally abusive father, and she feels very much alone: her much-loved mother is dead; her new school is unaccepting of her; and her only friends fall far short of being ideal companions. When she accidentally falls through the ice while skating, she meets Jimmy. He is handsome, far older than she, and married, but she is entranced. As their relationship unfolds, so too does Katie's awareness of the pain and intensity first love can bring. Beautifully written in Berg's irresistible voice, Joy School portrays the soaring happiness of real love, the deep despair one can feel when it goes unrequited, and the stubbornness of hope that will not let us let go. Here also is recognition that love can come in many forms and offer many different things. Joy School illuminates, too, how the things that hurt the most can sometimes teach us the lessons that really matter. About Durable Goods, Elizabeth Berg's first novel, Andre Dubus said, "Elizabeth Berg writes with humor and a big heart about resilience, loneliness, love and hope. And the transcendence that redeems." The same will be said of Joy School, Elizabeth Berg's most luminous novel to date.

Ida Elisabeth Jan 30 2020 In an effort to redeem her reputation, Ida Elisabeth imprudently marries her teenage sweetheart, Frithjof. Early in their marriage, she realizes that her charming husband is too irresponsible to support the family and sews dresses to make ends meet. When Frithjof becomes involved with another woman, Ida Elisabeth divorces him. The single mother moves with her children to a small town. Still young and good looking, the admirably hardworking Ida Elisabeth attracts the attention of a successful lawyer, who possesses the manly virtues that her husband lacked. As she contemplates marrying again, Frithjof, now gravely sick, reenters her life. Unlike Undsets famous historical novels, which are set in medieval Norway, the story of Ida Elisabeth unfolds in the 1920s. As in Undsets other fiction, however, Ida Elisabeth poignantly illustrates how poor choices affect the course of a persons life and how the suffering endured because of grievous mistakes can become the means by which a love is purified. Even in her historical novels, the Nobel Prize-winning Undset tackled contemporary themes. With its setting in modern times, Ida Elisabeth examines the difficulties inherent in male-female relationships as they are experienced in contemporary society. Undsets descriptions of the Norwegian people and countryside coupled with her profound understanding of the human heart won her worldwide literary acclaim. Both are powerfully displayed in this compelling drama about fidelity and forgiveness.

A Wolf in Sheep's Clothing Aug 07 2020 This book is the recollection and aftermath of a harrowing relationship for a mother, wife and woman that went through and survived to tell the story of domestic abuse at many levels. This is to raise awareness and support through experience that life can continue with happiness after such horrendous treatment and turmoil through life partner choice. Life choices, loss, regret and suffering.

Clara Barton, Professional Angel Feb 10 2021 Widely known today as the "Angel of the Battlefield," Clara Barton's personal life has always been shrouded in mystery. In Clara Barton, Professional Angel, Elizabeth Brown Pryor presents a biography of Barton that strips away the heroic exterior and reveals a complex and often trying woman. Based on the papers Clara Barton carefully saved over her lifetime, this biography is the first one to draw on these recorded thoughts. Besides her own voluminous correspondence, it reflects the letters and reminiscences of lovers, a grandniece who probed her aunt's venerable facade, and doctors who treated her nervous disorders. She emerges as a vividly human figure. Continually struggling to cope with her insecure family background and a society that offered much less than she had to give, she chose achievement as the vehicle for gaining the love and recognition that frequently eluded her during her long life. Not always altruistic, her accomplishments were nonetheless extraordinary. On the battlefields of the Civil War, in securing American participation in the International Red Cross, in promoting peacetime disaster relief, and in fighting for women's rights, Clara Barton made an unparalleled contribution to American social progress. Yet the true measure of her life must be made from this perspective: she dared to offend a society whose acceptance she treasured, and she put all of her energy into patching up the lives of those around her when her own was rent and frayed.
