The Wellness Revelation May 19 2021 What would it take for you to make a change? Weight loss can sometimes be a very self-focused endeavor. Maybe you have struggled with your weight your entire life, riding a constant roller coaster of numbers that go up and down. Or maybe you are finding yourself more stressed out by the world and all its demands. Perhaps you just don't feel as well in your body as you do in your spirit. In The

Wellness Revelation, certified fitness professional Alisa Keeton will challenge you to get fit with God so that He can free you to complete your purpose. She teaches that when we get fit physically as well as spiritually, we will be better equipped to love and serve others. The Wellness Revelation will change the way you perceive yourself and the way that you live your life. Each week in this eight-week journey includes a teaching from Alisa, weekly assignments, Bible study, small-group questions, and more. Alisa will encourage you to love God, get healthy, and serve others; and she will provide you with the tools to spread the gospel with courage, confidence, kindness, and freedom. It's time to make a change from the inside out.

The Seven Basic Plots Jul 21 2021 This remarkable and monumental book at last provides a comprehensive answer to the age-old riddle of whether there are only a small number of 'basic stories' in the world. Using a wealth of examples, from ancient myths and folk tales via the plays and novels of great literature to the popular movies and TV soap operas of today, it shows that there are seven archetypal themes which recur throughout every kind of storytelling. But this is only the prelude to an investigation into how and why we are 'programmed' to imagine stories in these ways, and how they relate to the inmost patterns of human psychology. Drawing on a vast array of examples, from Proust to detective stories, from the Marquis de Sade to E.T., Christopher Booker then leads us through the extraordinary changes in the nature of storytelling over the past 200 years, and why so many stories have 'lost the plot' by losing touch with their underlying archetypal purpose. Booker analyses why evolution has given us the need to tell stories and illustrates how storytelling has provided a uniquely revealing mirror to mankind's psychological development over the past 5000 years. This seminal book opens up in an entirely new way our understanding of the real purpose storytelling plays in our lives, and will be a talking point for years to come.

1984 Jul 09 2020 A PBS Great American Read Top 100 Pick With extraordinary relevance and renewed popularity, George Orwell's 1984 takes on new life in this edition. "Orwell saw, to his credit, that the act of falsifying reality is only secondarily a way of changing perceptions. It is, above all, a way of asserting power."—The New Yorker In 1984, London is a grim city in the totalitarian state of Oceania where Big Brother is always watching you and the Thought Police can practically read your mind. Winston Smith is a man in grave danger for the simple reason that his memory still functions. Drawn into a forbidden love affair, Winston finds the courage to join a secret revolutionary organization called The Brotherhood, dedicated to the destruction of the Party. Together with his beloved Julia, he hazards his life in a deadly match against the powers that be. Lionel Trilling said of Orwell's masterpiece, "1984 is a profound, terrifying, and wholly fascinating book. It is a fantasy of the political future, and like any such fantasy, serves its author as a magnifying device for an examination of the present." Though the year 1984 now exists in the past, Orwell's novel remains an urgent call for the individual willing to speak truth to power.

[Coming Up for Air](#) Oct 12 2020 An insurance salesman desperately tries to recapture his youth in this "charming" comic novel by the iconic British author (The New York Times). George Bowling is having a crisis. Not a loud, unsightly one, but a small, desperate one. His days are occupied by an unfulfilling insurance job; his nights spent worrying about his mortgage, marriage, expanding waistline, and what seems to be a certain prospect of World War II looming on the horizon. So when George unexpectedly hits it big on a lucky horse, he spends the windfall on the only thing he ever knew to make him happy: his childhood. George travels back to his boyhood home of Lower Binfield, swimming in vivid memories of worry-free bliss, sights, sounds, smells, and emotions of a pre-war world. But while the idyllic village in George's head may not have seen battle, the reality may be more sobering than he is prepared to deal with. Penned with Orwell's trademark insight and passion, *Coming Up for Air* is an elegiac look at memory and desire at a desperate moment in England's history.

How Winston Came Home for Christmas Oct 24 2021 Join Winston the mouse as he sets out on another irresistible Christmas adventure! From Alex T. Smith, bestselling author of the Claude series, comes How Winston Came Home for Christmas - the festive sequel to the much-loved How Winston Delivered Christmas. Full of gorgeous colour artwork and Christmassy activities for all the family to enjoy, this second Winston adventure is sure to become a Christmas classic to be enjoyed year after year. It is five days until Christmas and Winston has a Very Curious Mystery to solve. He has hazy rememberings of another mouse, and he just knows that someone very important to him is lost. After promising Oliver that he will be back in time for Christmas, no matter what, Winston sets out on an exciting round-the-world adventure to find the missing mouse, helped along the way by wonderful old friends and delightful new ones, too. A Christmas mystery written in 24-and-a-half-chapters, one to read every day of December in the lead up to Christmas, each chapter includes it's very own festive activity for all the family to enjoy together - including crafting decorations, making Christmas food, discovering Christmas traditions from around the world and so much more! This gorgeous hardback has a festively foiled cover, a ribbon and artwork on beautiful paper, making it the perfect Christmas gift.

Winston Churchill Mar 17 2021 One of the greatest historians writing today gives us a defining portrait of the incomparable Winston Churchill In his landmark biography of Winston Churchill, acclaimed historian John Keegan offers a very human portrait of one of the twentieth century's enduring symbols of heroic defiance. From Churchill's youth as a poor student to his leadership during World War II, Keegan reveals a man whose own idea of an English past—eloquently embodied in his speeches—allowed him to exhort a nation to unprecedented levels of sacrifice. The result is a uniquely discerning look at one of the most fascinating personalities in history. "The best military historian of our generation." -Tom Clancy

Nineteen Eighty-Four Nov 05 2022 "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

Behold the Dreamers Dec 26 2021 A compulsively readable debut novel about marriage, immigration, class, race, and the trapdoors in the American Dream—the unforgettable story of a young Cameroonian couple making a new life in New York just as the Great Recession upends the economy New York Times Bestseller • Winner of the PEN/Faulkner Award • Longlisted for the PEN/Open Book Award • An ALA Notable Book NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • The New York Times Book Review • San Francisco Chronicle • The Guardian • St. Louis Post-Dispatch • Chicago Public Library • BookPage • Refinery29 • Kirkus Reviews Jende Jonga, a Cameroonian immigrant living in Harlem, has come to the United States to provide a better life for himself, his wife, Neni, and their six-year-old son. In the fall of 2007, Jende can hardly believe

his luck when he lands a job as a chauffeur for Clark Edwards, a senior executive at Lehman Brothers. Clark demands punctuality, discretion, and loyalty—and Jende is eager to please. Clark’s wife, Cindy, even offers Neni temporary work at the Edwardses’ summer home in the Hamptons. With these opportunities, Jende and Neni can at last gain a foothold in America and imagine a brighter future. However, the world of great power and privilege conceals troubling secrets, and soon Jende and Neni notice cracks in their employers’ façades. When the financial world is rocked by the collapse of Lehman Brothers, the Jongas are desperate to keep Jende’s job—even as their marriage threatens to fall apart. As all four lives are dramatically upended, Jende and Neni are forced to make an impossible choice. Praise for *Behold the Dreamers* “A debut novel by a young woman from Cameroon that illuminates the immigrant experience in America with the tenderhearted wisdom so lacking in our political discourse . . . Mbue is a bright and captivating storyteller.”—The Washington Post “A capacious, big-hearted novel.”—The New York Times Book Review “Behold the Dreamers’ heart . . . belongs to the struggles and small triumphs of the Jongas, which Mbue traces in clean, quick-moving paragraphs.”—Entertainment Weekly “Mbue’s writing is warm and captivating.”—People (book of the week) “[Mbue’s] book isn’t the first work of fiction to grapple with the global financial crisis of 2007–2008, but it’s surely one of the best. . . . It’s a novel that depicts a country both blessed and doomed, on top of the world, but always at risk of losing its balance. It is, in other words, quintessentially American.”—NPR “This story is one that needs to be told.”—Bust “Behold the Dreamers challenges us all to consider what it takes to make us genuinely content, and how long is too long to live with our dreams deferred.”—O: The Oprah Magazine “[A] beautiful, empathetic novel.”—The Boston Globe “A witty, compassionate, swiftly paced novel that takes on race, immigration, family and the dangers of capitalist excess.”—St. Louis Post-Dispatch “Mbue [is] a deft, often lyrical observer. . . . [Her] meticulous storytelling announces a writer in command of her gifts.”—Minneapolis Star Tribune

The Potato Chip Puzzles Jun 19 2021 Winston and his friends enter a puzzle contest to win fifty thousand dollars for their school, but they must also figure out who is trying to keep them from winning, in a book that includes puzzles for the reader to solve.

Katherine Lost Jan 15 2021 As she pulled the blankets up to her chin, the sense of unreality shifted into something more akin to grief. This day was supposed to end much differently. How did it go so wrong? Katherine's musical ability was supposed to land her a spot at the prestigious Valley View School for the Performing Arts—everyone assumed she would be going there next year. But when her audition is derailed by stage fright, she is sent into a tailspin... lost. Desperate to put it behind her, she ignores her friends' messages and works hard to hide in plain sight. Extraordinary talent is hard to keep down, though, and Katherine soon finds herself pulled into unexpected opportunities that stretch her understanding of her musical self. Throwing herself into these new challenges, she soon realizes that performing again is inevitable. In spite of her friends' assurances, she's not sure that she can do it. Can these opportunities reveal her true self? Is it possible that she is no longer lost, but rather... found?

The Ministry of Truth Sep 10 2020 “Rich and compelling. . .Lynskey’s account of the reach of 1984 is revelatory.” --George Packer, *The Atlantic* An authoritative, wide-ranging, and incredibly timely history of 1984--its literary sources, its composition by Orwell, its deep and lasting effect on the Cold War, and its vast influence throughout world culture at every level, from high to pop. 1984 isn't just a novel; it's a key to understanding the modern world. George Orwell's final work is a treasure chest of ideas and memes--Big Brother, the Thought Police, Doublethink, Newspeak, 2+2=5--that gain potency with every year. Particularly in 2016, when the election of Donald Trump made it a bestseller (“Ministry of Alternative Facts,” anyone?). Its influence has morphed endlessly into novels (*The Handmaid's Tale*), films (*Brazil*), television shows (*V for Vendetta*), rock albums (*Diamond Dogs*), commercials (Apple), even reality TV (*Big Brother*). *The Ministry of Truth* is the first book that fully examines the epochal and cultural event that is 1984 in all its aspects: its roots in the utopian and dystopian literature that preceded it; the personal experiences in wartime Great Britain that Orwell drew on as he struggled to finish his masterpiece in his dying days; and the political and cultural phenomena that the novel

ignited at once upon publication and that far from subsiding, have only grown over the decades. It explains how fiction history informs fiction and how fiction explains history.

A Far Country May 31 2022

The Outsiders Mar 29 2022 The struggle of three brothers to stay together after their parent's death and their quest for identity among the conflicting values of their adolescent society.

Nineteen Eighty-Four Sep 03 2022 In an age of inescapable surveillance, fake news, alternative facts, would-be Big Brothers and endless low-level wars, Orwell's warning still speaks to us today, and with greater force than ever before. Republished with a new introduction by Dennis Glover, author of *The Last Man in Europe*, Orwell's prophetic masterpiece is truly a story for our times. Orwell's courage and his refusal to be silenced inspire hope that, ultimately, the spirit of humanity will win through.

The General Theory of Employment, Interest, and Money Feb 02 2020 The General Theory of Employment, Interest, and Money, written by legendary author John Maynard Keynes is widely considered to be one of the top 100 greatest books of all time. This masterpiece was published right after the Great Depression. It sought to bring about a revolution, commonly referred to as the 'Keynesian Revolution', in the way economists thought—especially challenging the proposition that a market economy tends naturally to restore itself to full employment on its own. Regarded widely as the cornerstone of Keynesian thought, this book challenged the established classical economics and introduced new concepts. 'The General Theory of Employment, Interest, and Money' transformed economics and changed the face of modern macroeconomics. Keynes' argument is based on the idea that the level of employment is not determined by the price of labour, but by the spending of money. It gave way to an entirely new approach where employment, inflation and the market economy are concerned.

Nineteen Eighty-Four Oct 04 2022 George Orwell's *Nineteen Eighty-Four* is unquestionably the most famous dystopian novel of all times. Written in the year of 1948, the author swapped the last two digits while describing a future totalitarian society where the minds, attitudes and actions of the subjects are thoroughly scrutinized by the "Thought Police", suspected dissidents tracked down and where the worship of the mythical party leader Big Brother is forced upon the masses. The low-ranking party member Winston Smith begins secretly to question the whole system and initiates a forbidden love affair with another party member.

Lifetime Health Jun 27 2019 Being healthy is much more than being physically fit and free from disease. Health is the state of well-being in which all of the components of health -- physical, emotional, social, mental, spiritual, and environmental -- are in balance. To be truly healthy, you must take care of all six components. - p. 11.

Life 3.0 Mar 05 2020 New York Times Best Seller How will Artificial Intelligence affect crime, war, justice, jobs, society and our very sense of being human? The rise of AI has the potential to transform our future more than any other technology—and there's nobody better qualified or situated to explore that future than Max Tegmark, an MIT professor who's helped mainstream research on how to keep AI beneficial. How can we grow our prosperity through automation without leaving people lacking income or purpose? What career advice should we give today's kids? How can we make future AI systems more robust, so that they do what we want without crashing, malfunctioning or getting hacked? Should we fear an arms race in

lethal autonomous weapons? Will machines eventually outsmart us at all tasks, replacing humans on the job market and perhaps altogether? Will AI help life flourish like never before or give us more power than we can handle? What sort of future do you want? This book empowers you to join what may be the most important conversation of our time. It doesn't shy away from the full range of viewpoints or from the most controversial issues—from superintelligence to meaning, consciousness and the ultimate physical limits on life in the cosmos.

Politics and the English Language Sep 22 2021 George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature - his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In Politics and the English Language, the second in the Orwell's Essays series, Orwell takes aim at the language used in politics, which, he says, 'is designed to make lies sound truthful and murder respectable, and to give an appearance of solidity to pure wind'. In an age where the language used in politics is constantly under the microscope, Orwell's Politics and the English Language is just as relevant today, and gives the reader a vital understanding of the tactics at play. 'A writer who can - and must - be rediscovered with every age.' — Irish Times

The Puzzling World of Winston Breen Feb 25 2022 Winston Breen says the only thing better than discovering a puzzle is stumping someone else with it. But when his sister uncovers mysterious strips of wood with words and letters on them, even Winston himself is stumped. Soon the whole family (and some friends) are caught up in the mystery and off on a scavenger hunt that just may lead to a ring worth thousands of dollars! Chock-full of puzzles to solve, some tied to the mystery and some not, this treasure hunt will keep readers' brains teased right up to the exciting ending! Perfect for fans of The Westing Game, exciting mysteries, and, of course, puzzles!

The Book and the Brotherhood Jan 03 2020 A story about love and friendship and Marxism Many years ago Gerard Hernshaw and his friends "commissioned" one of their number to write a political book. Time passes and opinions change. "Why should we go on supporting a book which we detest?" Rose Curtland asks. "The brotherhood of Western intellectuals versus the book of history," Jenkin Riderhood suggests. The theft of a wife further embroils the situation. Moral indignation must be separated from political disagreement. Tamar Hernshaw has a different trouble and a terrible secret. Can one die of shame? In another quarter a suicide pact seems the solution. Duncan Cambus thinks that since it is a tragedy, someone must die. Someone dies. Rose, who has gone on loving without hope, at least deserves a reward.

How Winston Delivered Christmas Oct 31 2019 Join Winston the mouse in this heartwarming tale of bravery, kindness and unlikely friendships. This gorgeous book is the perfect Christmas present for any child, to read on your own or share with all the family time and time again.

He has a lot of Very Exciting Adventures on his Very Important Mission and makes some wonderful friends along the way. Will he find Father Christmas in time? How Winston Delivered Christmas is a heartwarming illustrated story by Alex T. Smith, bestselling author of the Claude series.

Fools Crow Jun 07 2020 The 25th-anniversary edition of "a novel that in the sweep and inevitability of its events...is a major contribution to Native American literature." (Wallace Stegner) In the Two Medicine Territory of Montana, the Lone Eaters, a small band of Blackfeet Indians, are living their immemorial life. The men hunt and mount the occasional horse-taking raid or war party against the enemy Crow. The women tan the hides, sew the beadwork, and raise the children. But the year is 1870, and the whites are moving into their land. Fools Crow, a young warrior and medicine man, has seen the future and knows that the newcomers will punish resistance with swift retribution. First published to broad acclaim in 1986, Fools Crow is James Welch's stunningly evocative portrait of his people's bygone way of life. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Prevention of Literature Nov 24 2021 George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature - his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In The Prevention of Literature, the third in the Orwell's Essays series, Orwell considers the freedom of thought and expression. He discusses the effect of the ownership of the press on the accuracy of reports of events, and takes aim at political language, which 'consists almost entirely of prefabricated phrases bolted together.' The Prevention of Literature is a stirring cry for freedom from censorship, which Orwell says must start with the writer themselves: 'To write in plain vigorous language one has to think fearlessly.' 'A writer who can - and must - be rediscovered with every age.' — Irish Times

Trump and Churchill Aug 22 2021 What do Winston Churchill—the eloquent, eternally quotable wordsmith, pudgy politician of fifty years, wealthy aristocrat, war-time Prime Minister of England—and Donald Trump, the 6'4", brash, Twitter happy, political neophyte, billionaire entrepreneur—have in common? In his new book, complete with never-before-told anecdotes, bestselling author Nick Adams explores how both leaders, with seemingly

nothing in common, turned their day's prevailing politics on its head. In doing so, they both endured shockingly similar battles instigated by the political establishment seeking their destruction. Trump and Churchill's unorthodox approach to both domestic and international relations has rescued Western Civilization from the brink.
