**God's Providence and Life's Lessons** Jun 04 2020 Prayer is the most vital part of a Christian's life. We must keep an open line of communication with God. Everyone finds themselves in moments of trials and temptations and only God has the perfect way of escape. Do you struggle with spiritual pain-double mindedness, insecurity, fear, hopelessness, unforgiveness, disobedience, hurt, loneliness, rejection, discouragement, anger or a host of other imperfections? Prayer will help; God wants to be your comfort and guide. There is pardon and protection in prayer. God is the main character of prayer-not us. We must bring our petitions to Him-not our wants and persuasions. The excitement of the Christian walk is to find God's will and ask Him for it. The prayers in this book are full of faith and praise and have brought healing and comfort to many. Pray them verbatim or use them as a pattern for your own needs. Victory comes to those who pray. The privilege and responsibility of prayer belongs to those who are saved. Life's Lessons is a group of short stories that introduce people to Jesus, our Savior and Lord, through everyday living. Even if one has not read the Bible, everyday life testifies to the sovereignty of God. "For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life." (John 3:16) "And if we know that He hears us,

whatever we ask, we know that we have the petitions that we have asked of Him." (I John 5:15) Norma K Riggs is a happily married mother and grandmother living in Windsor, Virginia. She holds the degree of Bachelor of Theology from the International College of Bible Theology. Besides intercessory prayer her interest is working with intellectually challenged adults.

**God Conversations** Oct 01 2022 How do I know it's God? is one of the most commonly asked questions of new and mature Christians alike, and the aim of *God Conversations* is to both equip and inspire the reader and show them that hearing the voice of the Spirit is accessible to everyone who chooses to follow Jesus. Most Christians know that God speaks, yet struggle with how to recognise his voice in their everyday lives. What does God's voice sound like? How do we know if what we're hearing is from God? Stories of God talking to

his people abound throughout the Bible, but we usually only get the highlights. We read; "And God said to Joseph; 'Go to Egypt'," and then; "Mary and Joseph left for Egypt." We don't get a blow-by-blow description of how God spoke. We don't receive a detailed explanation of how they knew it was God, and we don't get to see what was going on inside their heads as they acted on what they'd heard. In *God Conversations*, international speaker and pastor Tania Harris shares insights from her own journey about hearing God's voice. You'll get to eavesdrop on some contemporary conversations with God in the light of his communication with the ancient characters of the Bible. Part memoir, part teaching, this unique and creative collection of stories will help you to recognise God's voice when he speaks and how to respond when you do.

**Life with God** Jun 28 2022 Too often, our study of the Bible focuses on searching for specific information or some formula that will solve our pressing needs of the moment. But what if we approached the Bible differently, and instead of transforming the text to meet our

needs, allowed it to transform us? That's exactly the idea behind *Life with God*, Richard J. Foster's much-anticipated book on the Bible. Foster, bestselling author of *Celebration of Discipline* and general editor of *The Renovaré Spiritual Formation Bible*, claims that God has superintended the writing of Scripture so that it serves as the most reliable guide for Christian spiritual formation. According to Foster, the Bible is all about human life "with God." As we read Scripture, we should consider how exactly God is with us in each story and allow ourselves to be spiritually transformed. By opening our whole selves—mind, body, spirit, thoughts, behavior, and will—to the page before us, we begin to grasp all the Bible has to teach about prayer, obedience, compassion, virtue, and grace and apply it to our everyday lives to achieve a deeper relationship with God. With a wealth of examples and simple yet crucial insights, *Life with God* is an indispensable guide to approaching the Bible through the lens of Christian spiritual formation, revealing that reading the Bible for interior transformation is a far different endeavor than reading the Bible for historical knowledge, literary appreciation, or religious instruction.

**God Has a Wonderful Plan for Your Life** Feb 22 2022 Why do 9 out of 10 children raised in Christian homes leave the Church? Why do many professing Christians show little or no evidence for their faith? Why do 80-90% of those making decisions for Christ fall away from the faith? For decades, the world's most popular gospel message has been drawing the lost by promising God's wonderful plan for their life. But behind the facade of the wonderful plan message is the reality of the trials, temptation, and persecution that Jesus promised. How can we reconcile the two? In this life-changing book, best-selling author Ray Comfort explores whether this common gospel approach aligns with real life and with Scripture. The vital biblical principles he reveals will force you to reexamine your ideas about the gospel and will teach you how to reach unbelievers the way God intended. A must-read for all who care about the lost. "Over a quarter million copies in print!"

*The Life with God Bible NRSV (Compact, Trade PB)* Jul 18 2021 The Life with God Bible combines the depth of a study Bible with the warmth of a devotional Bible, offering a new way to discover the full riches of the Scriptures. According to Richard Foster, bestselling author and the project's editor, the Bible is all about human life "with God." As we read Scripture, we should consider how God is with us in each story and allow ourselves to be spiritually transformed. Many people are looking for a new way to read the Bible, not as a text to be mastered, but as a story to enter into and a lifestyle to pursue. This unique Bible, previously published as *The Renovare Spiritual Formation Bible* and spearheaded by bestselling authors Richard Foster (*Celebration of Discipline*) and Dallas Willard (*The Divine Conspiracy*), introduces the concept of life with God - or the "with-God life" - a model for seeing the whole of Scripture as the unfolding story of God's plan for our loving

relationship with the Creator. This central theme weaves throughout the essays, introductions, notes, and exercises, powerfully revealing how God is present to his people today and throughout history. Yet our relationship with God should not be passive. Concrete practices - Spiritual Disciplines - have been used throughout church history to guide disciples of Jesus. This Bible integrates the Spiritual Disciplines into the Christian life by showing how they are central to the Bible's teachings and stories. Abraham and Ruth, Moses and Deborah, Jesus and the disciples all provide amazing examples of the life-changing power of prayer, worship, fasting, celebration, and many other Spiritual Disciplines. Scripture thus becomes a primary means for the discovery, instruction, and practice of these disciplines as well as a tool for spiritual formation. Combining the highest possible biblical scholarship with the deepest possible heart devotion, this new Bible project seeks to nourish inner transformation by unlocking and revealing the profound resources within Scripture for changing our hearts and characters and bringing them in line with what God wants for our lives. The Life with God Bible will redefine what the Bible means for Christian discipleship.

**The Life of God in the Soul of Man in Modern English** Mar 14 2021 Henry Scougal's, *The Life of God in the Soul of Man*, continues to provide the most accurate description of real Christianity. It also provides the reader with the differences between true Christianity and the many pretenders that have arisen over the centuries since its inception. That is one

good reason this book, originally published in 1677, continues to sell. It is a must read for anyone who is serious about finding the narrow gate and walking the narrow path that leads to life. In this book, Scougal deals with topics such as: eternal life, born again, salvation, faith, loving God, experiencing God's presence, absolute surrender, finding peace with God, the nature of God, the character of God, God's grace, God's care for us, the sovereignty of God, power to live, abundant life, victory over sin, victory over the world, spiritual growth, developing a personal relationship with God, loving others, transformation, renewing the mind, obedience, holiness, pleasing God, doing God's will, worshipping God, real humility, real purity, effective prayer, meditation, false ideas about Christianity, the fallen nature, worldly vision vs eternal vision, worshipping in vain, surface religion vs internal religion, hypocrisy, and distinguishing between spirit, soul, and flesh. This book is recommended for establishing new believers in the faith and helping them grow in the grace and knowledge of Jesus Christ. It is perfectly suited for discipleship, group study, and spiritual development courses. Scougal's book gives us an opportunity to look back into time at historical, classical Christianity. It is a monument in the advancement and improvement of the Protestant Reformation. Therefore, the reader can better distinguish the differences between the many errors in modern Christianity and Christianity prior to these modern deviations. God has used this book in bringing revivals. Charles Wesley and George Whitefield, who were instrumental during the Great Awakening, testified to the importance of this book in

their own lives. Wesley gave Whitefield a copy of this book. For this reason, Whitefield's quote, "I never knew what real Christianity was until God sent me this excellent book" has adorned the covers of earlier printings. Readers familiar with the great works of Christian literature written in the nineteenth and twentieth centuries will recognize the influence this book had upon those authors. This book will prove to be very helpful to those who know the end time prophecies regarding the corruption, infiltration, and apostasy of organized religion. It will help them to set a course out of the slow fade and into personal revival. All these reasons make this book an invaluable asset to all who desire to grow in their relationship with God. The insights that Scougal penned regarding the deeper, more intimate walk with God will encourage new believers, the most devout saints, and everyone in between. And now there is even more reason for this book to remain popular. Words like adumbrate and inveigle have been replaced with everyday words. The original meanings of the many words and phrases that have changed with the passing of time have been raised from the dead. Now the average person can read and comprehend it without getting a migraine, or even dusting off an old dictionary. There is no longer any need to be reluctant to give this book to a friend or loved one due to the difficult language of the original. The reading is now smooth sailing. And yes, it will still amaze you with the depth of insight, incredible wisdom, and practical advice found in the original!

**Living the Life God Has Planned** Oct 28 2019 A basic guide to discerning the will of

God. "How do I know what God's will is for my life?" It is perhaps the most common question asked by Christians today. Dr. Bill Thrasher has provided a basic guide to the fundamentals of seeking God's will in *Living the Life God Has Planned*. Thrasher teaches readers that they must first seek to know God on a more intimate level before His will becomes more apparent to them. Readers of all maturity levels will appreciate the simplicity and practical nature of this product.

**The God of Life** Apr 26 2022 "My desire is that this book may help readers to know more fully the God of biblical revelation and, as a result, to proclaim God as the God of life". Who is God? Performing a Christian Life Apr 02 2020 We want to live good lives, but determining what a good life is isn't easy, especially if we want the lives we lead to be ours, rather than somebody else's. Tom Kennedy helps us see why it is hard to find our way when it comes to living well and what we can do about that. Finding our way requires knowing who we are, understanding ourselves, and Christians, because of their experience with God, will understand themselves differently than others in at least some ways. Kennedy explores that understanding and discovers that Christian encounters with God lead to beliefs about God, human nature, forgiveness, values, and loving well that have important implications for

what we do and feel, for how we should live. In clear and familiar language, and with probing questions, he helps us think more carefully, and deeply, about our identities and what it should look like for us to live well.

*The Cross and Salvation (Hardcover)* Apr 14 2021 With America's confidence in the Bible at an all-time low and the strength of her spiritual convictions waning, it is essential for Christians—especially Christian leaders—to be well-grounded in biblical theology. To have a clear and comprehensive understanding of the key doctrines of evangelicalism. In response, professor and award-winning author Bruce Demarest has made plain God's glorious plan of salvation, his provision for the human dilemma through Christ's work on the cross, and the application of saving grace to unbelievers. Demarest's unique approach defines each topic, identifies its most pressing issues, examines the ways in which the doctrine has been understood historically, and interprets the Bible's revelation. The result is a clear and carefully constructed doctrinal statement that you can defend, live out, and communicate to others. This singular, comprehensive treatment of one of Christianity's essential doctrines gives definitive, Bible-based answers about salvation and the cross—and about related theological issues such as grace and regeneration. It's perfect for clarifying your theology and gaining deep understanding of this foundational theme. Part of the Foundations of Evangelical Theology series.

**Living the God-First Life** Jul 30 2022 The devotional companion to Stovall Weems' book The God First Life, will help you un-complicate your life through understanding and implementing the principle of God-first living. Everywhere you look there are how-to books for improving various areas of our lives such as finances, fitness, business, marriage, friendships, etc. The list can be exhausting! If we were to add up all the tips and methods, there would be hundreds of things to keep in mind just to make it through a single day. Often, in our search for ways to improve our lives, we mistake depth and discipleship for a long list of prescribed "spiritual-to-dos", and lose the simplicity of following Jesus in the moment. But what if it is possible to boil it all down to one simple, un-complicated principle that would bring the solutions and wisdom we are looking for? It's called living the God-First Life – your life, God's way. Every area of life brings different seasons of change, and one thing is for certain - we will always face challenges. True peace comes from living a life of faith that is grounded first and foremost in trust. Do we trust when God

says He's got our backs? Can we let go of things we don't have the answers to and trust Him enough to simply follow? Can we follow him in the moment, no matter what baggage we carry and what spiritual milestones we've yet to conquer? here's a much more vibrant way to live and act in faith, and it is much simpler than you would think.

**Scripture and the Life of God** Jan 12 2021 "In *Scripture and the Life of God*, David Watson takes us on a journey through what it means to enter into the life of God through texts that God has inspired and made authoritative for the teaching of the Church. Many of us read the Bible during private devotion time, and this is a very helpful practice, but there are also many other ways to walk down the pathway of Scripture into the divine life. Prayer, meditation, music, corporate worship, and other practices facilitate the work of the Holy Spirit through Scripture in drawing us into the divine life."--Publisher.

*Finding God's Life for My Will* Nov 21 2021 ECPA BESTSELLER • The lead singer, songwriter, and guitarist for award-winning contemporary Christian band Tenth Avenue North shows readers that by seeking God first and focusing on serving Him, we can live daily in His will. "Perhaps God isn't giving me the plan because He wants to be the plan." This was the aha moment for Mike Donehey after years of wrestling with his obsession to know God's specific plans for his life. He came to the realization that waiting for absolute certainty from God before making decisions may seem uberspiritual, but it can lead to a life of intense stress, paralyzing fear, and crushing regret--just the opposite of the freedom

granted to those living a Christ-filled life. "This is my story...how I gave up begging to know God's will and began to ask His life to come and change my will." With his signature humor and relentless hunger for God, Mike will show you that discovering the Father's purpose and plan for our lives is not the shell game that we all too often make it out to be. If you're unsure what to do next, take heart and accept the ultimate invitation: learn to see God as the plan, not simply the formula to the plan.

*Creating a Life with God* May 28 2022 As children our prayers consisted of "Now I lay me down to sleep..." or "God is good. God is great..." As we mature, we discover that our prayers are not scripted for us. So how do we learn to pray in a more grown-up way? *Creating a Life with God* offers us the opportunity to learn and adopt 12 prayer practices. Some of these prayer practices include the general practice of peace and quiet, Lectio Divina, the Jesus prayer, creativity, journaling, and more. The first chapter uses the Desert Mothers and Fathers to focus on the general practices of solitude and silence. The second chapter describes the practice of Lectio Divina. The next five chapters describe prayer practices that focus on the use of the mind to come to know God. Chapters 8 and 9 seek to move us out of our minds and into our created bodies. The last three chapters take us beyond our individual selves to show us how the world and our lives can become part of our prayer life. Along with these prayer practices are historical figures to guide us. Some of these are Julian of Norwich, The Pilgrim (who described the Jesus Prayer), and Ignatius of

Loyola. In addition to these helpful guides, Wolpert offers an appendix for step-by-step instructions for practicing each prayer practice either individually or with a group.

*Something Needs to Change* Mar 02 2020 USA TODAY, PUBLISHERS WEEKLY, AND ECPA BESTSELLER • The author of *Radical* takes readers on a soul-searching journey through impoverished villages in the Himalayan mountains, daring them to make a

difference in a world of urgent need, starting right where they live. “Grippingly vulnerable and unforgettable. I could not put this book down.”—Ann Voskamp, author of *One Thousand Gifts* While leading a team on a week-long trek of the Himalayas, bestselling author and pastor David Platt was stunned by the human needs he encountered, an experience so dramatic that it “changed the trajectory of my life.” Meeting a man who'd lost his eye from a simple infection and seeing the faces of girls stolen from their families and trafficked in the cities, along with other unforgettable encounters, opened his eyes to the people behind the statistics and compelled him to wrestle with his assumptions about faith. In *Something Needs to Change*, Platt invites readers to come along on both the adventure of the trek, as well as the adventure of seeking answers to tough questions like, “Where is God in the middle of suffering?” “What makes my religion any better than someone else's religion?” and “What do I believe about eternal suffering?” Platt has crafted an irresistible message about what it means to give your life for the gospel—to finally stop talking about faith and truly start living it. Praise for *Something Needs to Change* “Rugged. Authentic. Gritty. Real. Worshipful. There are no other books like this one. I always pick up David’s books with a sense of excitement and, quite honestly, apprehension—because I know that areas of compromise and complacency in my life are going to be exposed. But this book exceeded even my high expectations, for which I am grateful. And so will you be. As David writes, it’s time to run, not walk. Let’s go.”—J. D. Greear, president of the Southern Baptist

Convention “Extraordinary and challenging. I’ve just never read a book like this before. I am so moved. Bring your full heart to this story and watch how God opens your eyes, changes your mind, and broadens the dreams you have for your life.”—Annie F. Downs, best-selling author of *100 Days to Brave and Remember God* “If you dare to read this book, you might just have an unexpected encounter with Jesus that leaves you weeping on the floor, as David’s experience did. Something changes within us when the seemingly overwhelming needs of the world present themselves simply in the life of a single person. Ultimately, I pray your compassion will be transformed to action.”—Santiago “Jimmy” Mellado, president and CEO of Compassion International

*A Praying Life* Dec 11 2020 More than 300,000 copies sold! “This book will be like having the breath of God at your back. Let it lift you to new hope.” —Dan B. Allender, PhD, author of *Bold Love* This new edition includes an expanded chapter on using the practical “prayer cards”—a hallmark of the teaching found in *A Praying Life*—and a chapter on the need and use of prayers of lament. Prayer is so hard that unless circumstances demand it—an illness, or saying grace at a meal—most of us simply do not pray. We prize accomplishments and productivity over time in prayer. Even Christians experience this prayerlessness—a kind of practical unbelief that leaves us marked by fear, anxiety, joylessness, and spiritual lethargy. Prayer is all about relationship. Based on the popular seminar by the same name, *A Praying Life* has disciplined thousands of Christians to a vibrant

prayer life full of joy and power. When Jesus describes the intimacy He seeks with us, He talks about joining us for dinner (Revelation 3:20). A Praying Life feels like having dinner with good friends. It is the way we experience and connect to God. **Get Back Up: Trusting God When Life Knocks You Down** Nov 29 2019 Life is not always easy or fair for the follower of Christ. Yet, Sheryl Giesbrecht has learned, from the depths of past pain, it is possible to be raised up. It is possible to heal. Most importantly, it is possible to exchange hurt for hope. In her inspirational new book, *Get Back Up: Trusting God When Life Knocks You Down*, Sheryl tells her own story. She uses scripture to tell the stories of so many other Biblical figures who stumbled before they could be helped up. Sheryl's message is one of hope. Trusting God in the midst of a life turned upside down is essential to survival. Without Him, life would not be worth living. Climbing out of the pits of despair would be impossible. Yes, with God to lean on, finding hope is possible. Healing is possible. God is capable of taking our losses and mistakes and turning them into something remarkably beautiful. Won't you let Him?

**The God-First Life** Nov 02 2022 A simple and sustainable path to a deep and satisfying walk with Christ There are thousands of how-to books for improving various areas of life—self, relationships, finances, fitness, business, marriage, family. And there are nearly

as many books written for believers offering a framework for the “right” approach to a new life in God. What if it were possible, Pastor Stovall Weems asks, to boil it all down to one practical, un-complicated principle that would yield the vibrant, purposeful spiritual life so many are looking for? What if, in our relationship with God, we had one simple and sustainable touch point to experience a deep and satisfying walk with Christ? In *The God-First Life*, Weems shows that true success in our walk with God and in life in general is not an issue of need, but an issue of order. Brilliantly unpacking the simple Scripture in Matthew 6:33, Weems gives a fresh and practical perspective on what Christian “discipleship” is about. Bringing clarity, depth, and simplicity, Pastor Weems makes clear core truths that have been misunderstood by many Christians and non-Christians alike.
