**Crossing Over** Jun 04 2020 For as long as I can remember, I had one excuse for all conscious sin. If I felt guilty about something I had done, I would justify myself saying, "Well, if I knew for sure that God was for real, I wouldn't do that." I wanted to be sure God exists. I mean it's no fun if you've held back from all the pleasures of life because you've got your eyes fixed on some "grand reward" only to find out God was a hoax, right? So I told God, "Prove to me that You exist and I won't do any of that ever again." Then one day, God showed up. He took me by the hand, led me out of the wilderness and opened my heart and mind to the spectacular. This book captures the lessons God taught me along the way. Life is a mirage. We only see and feel what we want to. But we owe it to ourselves to at least once in our lifetime see things as they really are and explore what lies beyond the physical realm. And this book will help you do just that.

*The Vlasov Case: History of a Betrayal* Oct 09

2020 A famous Soviet general who fought in the Battle of Moscow (1941/1942) and the siege of

Leningrad (1941-1944), Andrey Vlasov

(1901-1946) was captured by Nazi troops and

then defected to the Third Reich. Supported by

Nazi propaganda, he created a "Russian

Liberation Committee" that later became the

"Russian Liberation Army" (RLA). The RLA was a

body of several hundred officers and several

thousand troops who had defected from the

USSR and served Nazi purposes on Soviet

territory. Vlasov was arrested by Soviet troops in

Czechoslovakia while trying to escape to the

Western Front and was subsequently tried for

treason and executed by Soviet authorities. In

2015, the Russian State Archive of Social and

Political History (RGASPI) released three

volumes of archives documenting the infamous

"Vlasov Case," the main instance of Soviet

collaborationism with Nazi Germany. With this

volume, which draws on the archives of Russia,

Belarus, Germany, and the US, the English-

speaking audience can now access the most

important documents on this topic for the first

time. The documents tell the story of Vlasov's

betrayal, from the moment he became a

prisoner, to his service under the Nazis, and up

through the trial in Moscow in 1946. Volume 1 is

comprised of archival documents on Vlasov's

activities from 1942 to 1945. Volume 2 explores

the Soviet investigations of Vlasov during the

1945-1946 trial.

*Answers* Apr 02 2020 In August of 2010, My Boys (my wonderful Guides/Angels) woke me up & told me that they wanted me to write a book. It was to be called "Answers". They said someone would ask me a series of questions and They would answer. I said "Ok" & told few family & friends & forgot about it. In October, at one of my Live events, I met Angie Felske. I read for Angie for over an hour, privately. She had lost 2 sons violently & both came through for her with intimate details. In January of 2011, Angie emailed me saying that the Boys kept waking her up at night telling her they wanted her to write a book with Jamie. They gave her a comprehensive list of questions & she attached them to the email. I wrote back telling her I knew. That the book was called Answers & let's get started. In the pages of this book you will find information you may have never heard before. A unique perspective perhaps. It was not designed to be perfect and is far from it. It was created to give you a catalyst to find your own Answers.
