Ready to Restore Feb 22 2022 Here, at last, is a guide to Christian counseling written specifically for laymen. Dr. Adams wrote this book in response to hundreds of requests from Christian laymen and pastors. It provides help in a form that is both simple and nontechnical, yet biblical and comprehensive. Although Ready to Restore is simple and easy to use as a beginning textbook, unlike many simple books it is neither simplistic nor superficial. Its contents are the fruit of the author's arduous Bible study as well as his long and successful ministry of the Word in counseling. The chapters comprise a true picture of Christian counseling in a coherent and systematic way. This book can be used effectively for individual study, but the content, scope, format, and language have been especially designed for textbook use in Bible colleges, churches, Bible study groups, prayer meetings, or older youth groups. - Back cover.

The Layman's Guide To Surviving Cancer Sep 19 2021 A diagnosis of cancer, life-changing for both patients and their loved ones, presents many questions: How will the disease and treatments affect you? What can you do to arm yourself for the battle? What roles do diet, stress, attitude and faith have on its progression? Perhaps most importantly: How do you and your loved ones maintain a sense of normalcy as you prepare for the unknown?

Legitimize Your Hustle: A Layman's Guide to Entrepreneurship Jul 06 2020 "Hustle...Hustle...Hustle...Hard!!" As I sit back and play my hustle music in my mind, I hear Rick Ross say "Hustle real hard!" or Jay-Z claiming "In a hustle disguised as a rapper, in fact you can't fit this kinda hustle inside of a rapper," and I just wanna get it. I know that if I hustle and I do it right, my earning potential is limitless. So I hustle like it's the last thing I got left. Regardless of what your hustle is and what you're selling, you gotta push it because at the end of the day what you're really selling is you....Once you experience the freedom and sense of achievement you get from hustling and creating your own destiny, you'll be hooked on hustling. Trust me!!....You need to legitimize your hustle, and I have developed a blueprint to help you do just that. I call this blue print the 5 Tz of entrepreneurship....

The Layman's Guide to a Growing Income Stream for Life Sep 27 2019 In the low-interest rate environment we currently find ourselves in these days, just putting your hard-earned dollars into a simple savings account at your local bank just won't cut it anymore, if it ever did. The time has come to broaden our horizons a bit and consider ways we have to grow our savings and have our nest egg work for us. The plan is to explore our options and construct an investment strategy that is tailor-made for each individual's situation and tolerance. A plan that will provide us with a growing income stream that will allow us to provide for ourselves and our loved ones for life while allowing us to rest easy at night. This book is a blueprint outlining the good and the not-so-good options we all have in an easy-to-understand reference guide you can turn to anytime. We all should have a work ethic in our profession. "A good day's work for a good days pay." Inside, we expand on that ethic. "The pay earned for a good day's work will now work for me."

Another Layman's Guide to Spiritual Survival Sep 07 2020 A continuing exploration of topics and subject matter concerning Christians and their interaction with the world as it is, today. As in the author's first book, a common-sense approach is employed demonstrating a practical application of Christian principles for those who remain undecided about their spiritual beliefs. The principles of Christian behavior and outlook are emphasized, rather than the more widely followed step-by-step cookbook approach. This second book of the series provides an engaging narrative, in conversational style, for each subject covered.

The Layman's Guide to Experiences in God-Realization May 04 2020 Mark Olsen is a true believer in the power of Spiritual experiences. In an uplifting compilation of his Spiritual experiences and the wisdom gained from each, Olsen illuminates Spiritual concepts and principles, answers deep questions, and provides inspiration for those striving for greater understanding of life and themselves. Olsen uses several dozen of his own experiences to illustrate what happens on the Spiritual journey when one looks within for the answers. Through vivid descriptions of dreams, visions, initiations, out-of-body travel, déjà vu, and flashes, Olsen shares valuable insight about inner experiences and how to interpret them: included are Self-Realization, God-realization, the planes of heaven, the divine selves, soul, karma, reincarnation, ETs, and the spiritual conspiracy on Earth. Insights are also provided on daily Spiritual exercises that utilize contemplation, visualization, and listening techniques to help anyone increase their Spiritual experiences, become closer to God, and develop better communication with the Higher Self. The Layman's Guide to Experiences in God-Realization shares Spiritual experiences, wisdom, and daily exercises intended to steer others to find answers to their deepest questions and ultimately realize fulfillment.

The Zero Stress Zone Jul 30 2022 This Layman's guide to stress management offers easy to understand, simple to use, stress reduction and avoidance techniques. We can utilize these techniques in our daily quest for a stress free environment. By introducing zero stress as a mindset and not just a catch phrase, this book will help us get to that place I call, "The Zero Stress Zone." As you will discover, it is so fun and easy you might ask yourself why you need a book to get there. In the end however, if you ask yourself that question, you will have gained an understanding of how simple stress management can really be. Additionally, you may not be the one experiencing the stress. It may be those around you manufacturing drama in order to burst your anti-stress bubble. Don't let it happen! keep them on the outside suspended in their manufactured tension while you enjoy the cool comfort of your Zone. You can even choose to use these techniques to help them; or not. Whichever, always remember, just like on an airplane, you have to put your mask on first, before you can help others.

One Layman's Guide to Spiritual Survival May 16 2021 A continuing exploration of perspectives and approaches concerning Christians and their interaction with the world. As in the author's first three books, where the message is more important than the form, plain language is employed to demonstrate the practical application of Christian life. Emphasis is placed on the principles that guide, rather than the behaviors that reflect, beliefs. For those who remain undecided about their spiritual beliefs, simple explanations are offered with conversational, down-to-earth explanations and examples rather than a highly documented and footnoted scholarly format. This author is much more concerned about getting the message to those who are unsure, and in an understandable way, than receiving recognition from academic circles.

A Layman's Guide to Who Wrote the Books of the Bible? Aug 26 2019 Pursued by menacing strangers through her small Midwest city, twelve-year-old Alysha Dodson takes refuge in a mysterious room under a bridge, a place that turns out to be a doorway into another universe. In the country where she then finds herself, Alysha learns that the pursuit has not ended. A powerful and sinister man, Lord Raf Var Ne, seeks to gain possession of an object she was given years ago by her older brother a few days before he went missing. Told she can't return to her own world, she begins a search for that brother, aided by Lord Raf's charming but impetuous stepson. In the process, the two become involved in a revolutionary conflict. Underland is the story of a girl's coming of age in the midst of an adventure like no other.

The Layman's Guide to Trading Stocks Nov 21 2021 Even if you consider yourself a longer-term "investor," after reading this book you will see that it pays to think more like a trader. Doing this isn't difficult provided that you are willing to let go of your ego and let the market, and only the market, tell you what to do. In this comprehensive text, the author dispels common Wall Street myths, reveals Wall Street truths, and teaches the reader to see the markets in a way that will lead to steady profits.

A Layman's Guide To Oct 21 2021 This history of the origins and development of Christian denominations is in layman's language. Readers will not become bogged down in technical or archaic terms. Begin by reading about the Christian groups, denominations, that developed in the time between Jesus crucifixion and the formal origins of the Roman Catholic and Orthodox churches. Learn how the Roman empire came to accept Christianity as its religion, of the cooperation and struggles between the Roman Catholic and Orthodox churches and how that led to their separation. Read about how the Black Death, the Crusades, the struggles within the Roman Catholic Church led some church leaders, such as Martin Luther, to attempt to reform the church, and how those attempts led to The Reformation. That opened the door to England declaring that the Church of England, the Anglican Church is the true Christian church. John Calvin laid the ground work for what became the Presbyterian and the Reformed churches. Then came the Huguenots and the Walloons, and the Puritan-Pilgrims who came to America and evolved into such as the Congregationalists. Back in England the Quakers experienced persecution that encouraged them to move to America. John Wesley began what evolved into Methodism. The American Revolution caused American churches of English origin to separate from their English roots and to become such as the Episcopalians and the Methodists. Read about the history of the many denominations that have come into being in The United States. There are the numerous Christian churches, the Unitarians, Spiritualist churches, Mormons, Adventists, Jehovahs Witnesses, Christian Science, Pentecostalism and many independent non-denominational churches. It is fascinating history, and all in layman's language.

Why? Oct 01 2022 "Why do you Lutherans do that?" Every Lutheran pastor has heard the question (and some of them have asked it themselves). Most Lutherans don't know as much about the liturgy as they would like to know-this book is a solution to this dilemma! Dr. Eckardt's insightful "Why?" column ran for years in the pages of Gottesdienst. Now, Reprintation Press has published a collection of these essays, together with several new "Whys?," providing answers to 65 of those questions which begin, "Why...?"

A Layman's Guide to Revelation Jun 04 2020 The Layman's Guide to Revelation is a compilation of renowned expositors with different interpretive views of eschatology. The book guides its readers into an in depth study of the Revelation using the critical analysis of commentators of the past to help the reader better understand the present times and God's plan for the future. The guide defines key words in the Greek translation, and explains the symbolic use of numbers, colors and the foreshadowing of crucial aspects of Israel's history which will aid in deciphering the visions given to the apostle. The guide further explains the types and use of the Old Testament prophets. By understanding the Old Testament Scriptures the student will better appreciate the background of the language and the Hebraic symbolism used in Revelation. The guide also sheds light on the use of foreshadowing of past empires used in the Old Testament that will further aid in the interpretation of the future and the end-times that we are assuredly apart. The guide takes the reader verse by verse; chapter by chapter through the commentators interpretive views so they can study at their own pace and arrive at their own conclusions. The book also includes a commentary by the author that offers his own insights into Revelation that will surely be of use to those who look to God's word to better understand the times we live.

A Layman's Guide to Protestant Theology Apr 14 2021 The events of the twentieth century have led to a rebirth of Protestant theology. This book is intended to help the layperson discover what is going on in theology. In clear, nontechnical language, it traces the rise of orthodoxy since the sixteenth century, and proceeds to examine schools such as fundamentalism, liberalism, and neo-orthodoxy. Because of their great influence and importance, the theologies of Karl Barth, Reinhold Niebuhr, and Paul Tillich are treated separately, and this revised and expanded edition contains new chapters on Rudolf Bultmann, Dietrich Bonhoeffer, and the God is Dead" controversy.

Layman's Handbook Aug 31 2022 Life is difficult, oh what a cliché. There are twists and turns for each and everyone of us all along our journey. No two fingerprints are the same and just like this no two person's stories are the same either. The handbook is to bring you a snippet of hope and guide you to choices that can be made daily to prevent continued or repeated mistakes or misery. Where do we turn when confused? How do we overcome the challenges that we cannot understand? Having a handbook as a simple guide to happier health which not only involves smiling more, rather more importantly felling better. A tall ask when we find ourselves in dark places, mixed up, muddled or just plain old tired from it all. Having a handbook to bring oneself back to some basics and restart the day or "begin again" can be as valuable to all of us who take on life each and every day. The reasons I wrote this is to share with you how I have found, through many years stricken with grief, how I have continued to smile and laugh even though down very deep within myself. Covering not only the depths of my grief but more so my own angle of view on how any issue is exactly that, an issue and these can always be dealt with. Get ready to begin dealing with life and put a spring into your stride, every step of the way. The disclaimer reads "if ya wanna break free and live, get ready to move forward with joy" No magic formulas, simply everything you already hold within yourself but might have been too busy to notice. Simple techniques to assist in day to day living. Some casual scenarios to remind ourselves of how we do have control over our lives. Taking positive steps to allow ourselves think, allow ourselves feel and most importantly to allow ourselves live "the life" as the person we were born to be.

A Layman's Guide to Who Wrote the Books of the Bible? Apr 26 2022 Mayhem, joy and laughter have no boundaries. Neither do evil and jealousy. Love and friendship come again in life, regardless of age. Peter, a top-level government agent, wants to retire and be a fulltime chef. Rosalie, widowed, owns and operates Pasta Perfect, a family restaurant. They knew each other as children. When they meet as mature adults, things really sizzle. But Fate has other plans in store for them. Rosalie's son Gray is a government employee in Washington. He renews friendship with schoolmates, both involved in law enforcement. Ordinary citizens make daily sacrifices for their country. Some go astray. The force for good gets a helping hand as the adventure unfolds. God bless America!

The Layman's Guide To Rightly Dividing The Word of Truth Dec 31 2019 Inside this book are guidelines that I believe one must follow if they are to rightly understand God's Word. If we follow these guidelines, we will be able to know God's will and his truth. God does not intend for us to know everything in this life for faith is crucial to the Christian life, but that which He is willing to share is there inside His Word. However, one must know how to approach it. This book not only show you how to do this, but gives examples of it being applied. It also covers many biblical doctrines using this format to show how these doctrines must be understood.

The Complete Layman's Guide to End Times Prophecy, A Biblical Perspective Oct 09 2020 Have you looked around at the world and felt as though everything was falling apart? America is struggling economically and no one has any answers.

Unemployment has been over 9% for over two years now. It feels like the government is trying to take control of our lives. There is speculation that Greece might collapse economically, and, if they do, other European countries will follow suit. The Middle East is in total chaos and very unstable, with all these people rioting in the streets and wreaking havoc on their respective countries, along with dictators falling and rising from power. Iran is still telling everyone they are intent on annihilating Israel as they improve their nuclear capabilities. As Christians, our hope is in Jesus Christ; we know that our God is sovereign, so all the chaos in the world has no effect on how God brings the world to an end. But the end is in sight, and people are looking for something certain in this world. There are so many questions Christians have regarding End Times Prophecy and do not understand, simply because the church has not fulfilled its purpose in rightly dividing the Word of truth for the saints. The Complete Layman's Guide to End Times Prophecy will bring together all the questions one might have regarding the end of the world and the return of the Warrior King Jesus Christ to this earth to set up His millennial kingdom. This book is clear, concise, and cogent in its message and attempts to address all End Times Prophecy questions. Doctor Robert Ramirez, B.A. Political Science, College of Santa Fe; B.A. Pastoral Studies Moody Bible Institute; MDiv, The Master's Seminary; DMin, Trinity Southwest University; Pastor, Alive In Christ Bible Church; President and Founder, New Mexico Bible Institute & Bookstore

The Layman's Guide to Classical Architecture Jun 28 2022 Acclaimed British architect Quinlan Terry's guide to more than 2,000 years of classicism in architecture In this beautiful illustrated survey, British architect Quinlan Terry (born 1937) presents his ultimate guide to classical architecture. With intricate and lively sketches, he explains the classical orders of architecture that were created by Vitruvius around 100 AD. The tradition of building using these orders was maintained well into the 20th century, until modernism began to dominate architecture. With this book, Terry, a strong proponent of classical architecture, aims to place focus on the kind of architecture that dominated the field for almost 2,000 years in the West—the vocabulary and heritage of which is known by few today. The book contains a large number of Terry's drawings and sketches from travels, as well as linocuts. Also included are his drawings of such quintessential examples of the use of classical orders as St. Mark's Square and San Giorgio Maggiore in Venice and Inigo Jones' St. Paul's Cathedral in London, alongside drawings of Terry's own structures, such as Brentwood Cathedral in Essex, England. In addition, Terry compares his own studies with those of Andrea Palladio and Vincenzo Scamozzi. Prince Charles, another advocate for classical architecture, who holds Quinlan Terry as his favorite among contemporary architects, provides the preface.

The Layman's Guide to the New Testament Jan 12 2021 The Layman's Guide to the New Testament is an honest, objective approach to all the books of the New Testament. Written in a style that is at once scholarly and readable, this book is a valuable resource for study and reference.

The Layman's Guide to Smoking Cessation Aug 07 2020 This book is a comprehensive guide and motivational tool for those desiring to become tobacco free and remain that way, as well as for those who wish to help others quit. This book is not a scare tactic book. It's more about talking about the reasons why people think they smoke, why those reasons are false, and the reasons people really smoke, and how those things can be relatively easy to overcome. Smoking is the single largest preventable cause of death in the United States and the world, and most smokers indicate a desire to quit. This book helps smokers discover the psychological reasons behind their dependency, explains how to handle the withdrawal symptoms and enables them to stay smoke-free.

A Layman's Guide to Mental Prayer Jun 16 2021 A LAYMAN'S GUIDE TO MENTAL PRAYER IS JUST THAT. It is a book to help aid all men and women in the practice of mental prayer. Whether you are a beginner or proficient, you can use this book as a resource to foster growth in your interior life. Broken into two parts, this book is first meant to teach the reader about the importance of mental prayer and the different ways of practicing it according to St. Teresa of Avila. Then, after the reader has a good understanding of the methods of mental prayer, part two consists of 300 days of meditation material based on what the reader learned in part one. Each day's meditation has a bible verse, an excerpt from Imitation of Christ and a daily prayer to accompany part one with a practical application. This way the reader quickly and easily learns how to start and progress in mental prayer and can build a daily devotional habit by using the additional mental prayer resources. PART ONE In part one of this book, we follow Peter Rohrbach as he leads us through the teachings of mental prayer according to St. Teresa of Avila, a Doctor of the Church and a Doctor of Prayer. In this part, the reader will learn the ins and outs to becoming a "contemplative" and fostering an interior life with God. Mr. Rohrbach will walk the reader through the three methods of practicing mental prayer along with the practicality of developing a habit of mental prayer. He addresses where distractions and aridities come from and how to handle them, other crucial aids to support spiritual progress, and advises the readers on higher forms of prayer and how to know whether or not the reader is experiencing them. PART TWO In part two of this book, we have compiled and added 300 days of accompanying meditation material as a practical tool for the reader to easily implement the teachings of St. Teresa of Avila as stated in part one. Included in these meditations are a majority of the Gospel passages and the entire Imitation of Christ book by Thomas À Kempis. The Layman's Guide to Grooving in Suchness Apr 02 2020 What is happening to our mental health in Australia? While we are living in an age of material affluence, the author asks are we clear-headed, content, and living in the present moment? He concludes that many of us are either lost or else blindly accepting the breathless embrace of technology, the market and saturation advertising. In this book, he puts individuals back in the driver's seat. He shows how taking simple steps to deliberately cultivate strong character can help you to: * relish the beauty of the present moment; * move through life with quiet modesty; * enjoy the incredible lightness of being; * switch to the effortless effort. Most of the dozens of prescriptions you'll find can be completed in seconds, but if repeated again and again will have a lasting impact on your philosophy, beliefs and lifestyle. Laced with insights from yoga, the life-wisdom of the ages, and plenty of humour, this book provides a roadmap to get more out of less and enjoy life clear-headed!

A Layman's Guide to Who Wrote the Books of the Bible Nov 02 2022 "Bible" as used in the title of this book refers to the Bibles used by mainstream American Jews, Roman Catholics and Protestants. This book deals with the books of the Bible, from Genesis to Revelation, including those of the Apocrypha. This is a study of the people who wrote the books of the Bible and of the historical, political and social settings in which they wrote and of the factors that caused the authors to write. The search for the authors and what motivated them to write takes the readers into the origins of the stories that make up a large part of the Bible. While many popular and scholarly books have been written about the authorship of specific books of the Bible, this is the only book that deals with all of the books of the Bible in a single, concise volume. It is in laymen's language with footnotes suggesting where readers can find further information for expanded study. Where scholars have offered differing views of biblical matters that affect the determination of authorship, this book presents the various views - in laymen's language. Read, learn and enjoy!

A Layman's Guide to Religion Jul 18 2021 A Layman's Guide to Religion is a provocative, factual often-humorous personal study of evolution and religion. The author is unsparing in his contempt for all religions and cults and for the hypocritical rascals, the pied pipers who sidetrack their innocent victims, robbing many of them of their most productive years. The author finds those who claim to speak for God while defrauding the elderly of their life's savings especially loathsome. One scholar, who prefers anonymity, remarked after reading the manuscript, that when published, this one thin volume would contain more common sense than the hundred of thousand dusty works by so called theologians over the past several millennia. The comment was most gratifying as the author world rather have the admiration of one intelligent person whom the author highly regards than the admiration and even reverence of a billion fools! Bold, blunt and unflinching, this thin volume, cuts through millenia of B.S.! The author's purpose is not offend one religion but to denigrate all of them and, hopefully, replace religion with reason and common sense. Targeting historical unpleasant facts in an engaging and humorous manner, and the role of evolution, the author shows where religion has today become a compost of hypocrisy and pretense and the root cause of all evil! Plainly, this volume contains "All You Ever Wanted To Know About Religion Before You Put The Subject To Rest And Get On With Your Life!"
