Caesar Nov 04 2022 In the long, fabled history of Rome, never was there one more adored -- yet more feared -- than Gaius Julius Caesar. Invincible on the field of battle, he commands the love and loyalty of those who fight at his side and would gladly give their lives for his glory. Yet in Rome there are enemies everywhere orchestrating his downfall and disgrace. Fanatical rivals like Cato and Bibulus would tear Rome asunder just to destroy her greatest champion -- using their wiles, position, and false promises to seduce others into the fold: vacillating Cicero, the spineless Brutus ... even Pompey the Great, Caesar's former ally. But only ill fortune can come to the "Good Men" who underestimate Caesar. For Rome is his glorious destiny -- one that will impel him reluctantly to the banks of the Rubicon ... and beyond, into triumphant legend.

The Pastoral Epistles Oct 11 2020 Where may we go to find answers to questions concerning how a church is supposed to function, the qualifications of church officers, the priorities of pastoral ministry, the role of females in the church, the importance of the Christian home, and the biblical pattern of church government? The New Testament canon contains three personal letters penned by the apostle Paul addressing these, and many other, questions. The Pastoral Epistles to Timothy and Titus contain pastoral and ecclesiastical counsel for the church in all ages. Great encouragement and guidance for gospel ministers is here. And, for the church that seeks to conform to Scripture more than cultural trends, the Pastoral Epistles contain indispensable wisdom.
