Toyota Corolla Petrol Automotive Repair Manual Mar 06 2021 *Creating Brand Equity* Dec 23 2019 Seminar paper from the year 2020 in the subject Business economics - Miscellaneous, grade: 1,0, University of Applied Sciences Trier, language: English, abstract: In a global world where countless functionally similar products are offered, there must be a suitable reference point by which the success of a

company can be defined - the brand equity. The following work therefore aims to provide a comprehensive overview of brand equity and its creation, measurement and maintenance. 1989 California - This year saw the start of an eight-year experiment in the USA, in which an identical compact car was sold under two different brands: the Toyota Corolla and the Chevrolet Prizm. The Toyota Corolla was launched several years earlier and had already gained the trust of many consumers in terms of quality, thus benefiting from a positive brand equity. The Chevrolet Prizm, on the other hand, was a completely new name for consumers in the compact car class. Despite the same technical characteristics of both vehicles, the Prizm was consistently rated worse and the price of the car was also lower than the one of the Toyota Corolla. What does the experiment demonstrate?

The Automobile and American Life, 2d ed. Nov 21 2019 Now revised and updated, this book tells the story of how the automobile transformed American life and how automotive design and technology have changed over time. It details cars' inception as a mechanical curiosity and later a plaything for the wealthy; racing and the promotion of the industry; Henry Ford and the advent of mass production; market competition during the 1920s; the development of roads and accompanying highway culture; the effects of the Great Depression and World War II; the automotive Golden Age of the 1950s; oil crises and the turbulent 1970s; the decline and then resurgence of the Big Three; and how American car culture has been represented in film, music and literature. Updated notes and a select bibliography serve as valuable resources to those interested in automotive history.
