**Teaser** Apr 04 2020 Hallie Ahern, a Providence, Rhode Island, reporter and recovering gambling addict, is trawling online chat rooms in search of a story for her newspaper's Web site when an anonymous source sends her a short video clip, a teaser. Featuring two girls striking provocative poses, the clip promises more to come. As Hallie follows up on the lead, staking out tech shops and high school hangouts in search of the girls in the clip, she discovers that men are buying the girls webcams and lavishing them with gifts to make sure they use them. But those gifts are only a taste of the perils to come. The paper's new owners love the idea of an exposé that warns parents of the dangers of the Internet, but when girls start dying, and when Hallie's boyfriend—a prosecutor with the Attorney General's office—ends up on another side of the story altogether, the situation goes from dark to lethal. As Hallie is caught between her responsibilities as a reporter and as a concerned citizen, her investigation leads her deep into a far-reaching conspiracy in Teaser, Jan Brogan's latest gripping mystery.

**The Little Big Book of Brain Games for Smart Kids** Nov 04 2022 During the time of the old West, a cowboy rides into town on Sunday. He stays for three days, and leaves on Sunday. How can this be? Want a hint? Think of a name. Still stumped? The book has the answer! Kidding. But really, it does. However I will give it to you: The man's horse was named Sunday! See, the good thing about these brain games is that they are timeless and will always keep sharpening your mind. The more you do them, the better you become at them. Yeah yeah, you've heard that before. "You should do things that help enhance your brain health and memory strength." If you are an adult, you can still benefit from these. But for kids... What if they started early? Even just one or two minutes of mind games can help prepare their minds for enhanced learning. If you (or the teacher) are creative enough, you can even design the teasers to reflect everyday situations that kids may experience, adding a little valuable lesson along the way. For kids, learning and growth happen at a very early age. Brain teasers provide kids with challenges that allow them to check out their environment, understand other people, and learn to work with peers. And what about laughter? It is also no secret that laughter can be the best medicine. I mean, don't you tend to connect best over laughter? Kids can often times tell the best jokes that have us laughing all together. Why? Because jokes, which equals laughter, connect us with everyone; with friends, family members, even strangers! OK, that is all fine, but how does this relate to this book? In The Little Big Book of Brain Games for Smart Kids, you will discover: what exactly is a brain teaser? How brain teasers relate to cognitive function, and increase overall smartness! Enhanced tips and tricks on how to help solve brain teasers Some of the games and teasers include... The ultimate word search game for kids, putting their brains to the test as they hunt for words. They will look up, down, left, right, backwards, and all around as they search for the answers hidden in every puzzle! Word searches can help to reinforce spellings in your child's mind, encourage problem-solving, improve vocabulary, spelling, memory, and logic skills This large print word search contains math-related puzzles for educational and fun vocabulary puzzles suitable for ages 4-8. Large print sudoku puzzles. Sudoku grids are large, very easy to read, and fill out. Sudoku helps kids train their brains" Sudoku promotes logical thinking, one of the challenges of raising kids is that they often don't get a lot of training in school in "how to think." Many schools "teach to the test" with a strong focus on academic material that is directly related to standardized testing, and it's not always possible for schools to spend a lot of time on developing logical thinking and reasoning skills. This is one reason why Sudoku for kids is so important - Sudoku can help teach kids to learn deductive reasoning skills, even at a young age. Sudoku Teaches Decision-Making, Sudoku is a game of logic and critical thinking and making quick decisions based upon available evidence. With Sudoku, kids learn the immediate connection between their actions and the result - if they analyze the problem correctly and use careful reasoning, they will get a good result. Are you Excited to Stay Entertained for Hours on End?! That's why we're including puzzle solving techniques included just to make sure you know what to do, whether you are a beginner or you've played before and all puzzles come complete with solutions towards the back of the book. Not only that, but customer satisfaction is our priority Buy with confidence. If you're unhappy with your purchase we will refund 100% of your money! What builds self-esteem in an eager young learner? Experienced parents and child experts agree, lasting confidence comes from a child's accomplishments â " from winning small challenges and mastering new skills. Come have fun AND sharpen your mind at the same time! They will work great in Kindergarten to challenge students. They are perfect in 1st Grade and 2nd Grade, but they also might work in 3rd Grade or 4th Grade as a review. Reinforces learning and school skills through play By doing puzzles, you will quickly notice an increase in your focus as well as your problem-solving abilities. (In other words, it will keep your brain sharp and engaged!)
