John Deere Industrial  
Sun 07 2020 Ranging from simple model variations to those machines built for specific purposes, this industrial-grade volume chronicles the "other line" of John Deere machinery. A mainstay in heavy industry and construction sites throughout the world, John Deere Industrials begins with coverage of the popular A-series with its yellow paint and the letter added to the model designation that has become the hallmark of these incredible machines. (Delayed from Spring 2002)
