A Tiger Remembers Mar 04 2020 Born in the Year of the Fire Tiger, Ann Wee moved to Singapore in 1950 to marry into a Singaporean Chinese family. One of Singapore's pioneering social work educators, Ann shares her experiences frankly and with great humour. She remembers the things that history books leave out: questions of hygiene, the emotional nuance in social relations, stories of ghost wives and changeling babies, rural clan settlements and migrant dormitories, what was lost and gained when families moved into HDB estates. Affectionately observed and wittily narrated, with a deep appreciation of how far Singapore has changed, this book brings to life the country's

social transformation by talking about the family, "in its 101 different shapes and sizes, with its capacity to cope which ranges from truly marvellous to distinctly tatty: still, in one form or another, the best place for most of us to be".

The Tiger Sep 02 2022 It's December 1997 and a man-eating tiger is on the prowl outside a remote village in Russia's Far East. The tiger isn't just killing people, it's annihilating them, and a team of men and their dogs must hunt it on foot through the forest in the brutal cold. To their horrified astonishment it emerges that the attacks are not random: the tiger is engaged in a vendetta. Injured and starving, it must be found before it strikes again, and the story becomes a battle for survival between the two main characters: Yuri Trush, the lead tracker, and the tiger itself. As John Vaillant vividly recreates the extraordinary events of that winter, he also gives us an unforgettable portrait of a spectacularly beautiful region where plants and animals exist that are found nowhere else on earth, and where the once great Siberian Tiger - the largest of its species, which can weigh over 600 lbs at more than 10 feet long - ranges daily over vast territories of forest and mountain, its numbers diminished to a fraction of what they once were. We meet the native tribes who for centuries have worshipped and lived alongside tigers - even sharing their kills with them - in a natural balance. We witness the first arrival of settlers, soldiers and hunters in the tiger's territory in the 19th century and 20th century, many fleeing Stalinism. And we come to know the Russians of today - such as the poacher Vladimir Markov - who, crushed by poverty, have turned to poaching for the corrupt, high-paying Chinese markets. Throughout we encounter surprising theories of how humans and tigers may have evolved to coexist, how we may have developed as scavengers rather than hunters and how early Homo sapiens may have once fit seamlessly into the tiger's ecosystem. Above all, we come to understand the endangered Siberian tiger, a highly intelligent super-predator, and the grave threat it faces as logging

and poaching reduce its habitat and numbers - and force it to turn at bay. Beautifully written and deeply informative, *The Tiger* is a gripping tale of man and nature in collision, that leads inexorably to a final showdown in a clearing deep in the Siberian forest.

One Day as a Tiger Oct 11 2020 'The wall was the ambition, the style became the obsession.' In the autumn of 1982, a single stone fell from high on the south face of Annapurna and struck Alex MacIntyre on the head, killing him instantly and robbing the climbing world of one of its greatest talents. Although only twenty-eight years old, Alex was already one of the leading figures of British mountaineering's most successful era. His ascents included hard new routes on Himalayan giants like Dhaulagiri and Changabang and a glittering record of firsts in the Alps and Andes. Yet how Alex climbed was as important as what he climbed. He was a mountaineering prophet, sharing with a handful of contemporaries - including his climbing partner Voytek Kurtyka - the vision of a purer form of alpinism on the world's highest peaks. *One Day As A Tiger*, John Porter's revelatory and poignant memoir of his friend Alex MacIntyre, shows mountaineering at its extraordinary best and tragic worst - and draws an unforgettable picture of a dazzling, argumentative and exuberant legend.
