Finding Your Father's War Nov 21 2021 Leading military historian and researcher Jonathan Gawne offers a practical guide to researching and understanding service in the U.S. Army during World War II and shares the techniques he uses to research archives, libraries, veteran associations and myriad other sources of information to track down the wartime career of an individual. Includes images of documents, medals, and maps.

Son of Two Fathers Dec 11 2020 This long-awaited final novel in the bestselling *Grazia dei Rossi* Trilogy follows *Grazia dei Rossi*'s only son, Danilo del Medigo, as he returns to the Republic of Venice at the height of Christendom's persecution of the Jews. April, 1536. Danilo del Medigo arrives incognito in Venice from Istanbul, with two assassins hot on his trail. Western civilization is in crisis. Jews and "New Christians" — people whose families had converted from Judaism — are threatened with expulsion, imprisonment, and death. Danilo seeks refuge in the Venetian Ghetto, and promptly falls in love with the beautiful Miriamme Hazan. But soon Danilo is blackmailed into becoming a spy for Venice, which means he must abandon Miriamme in order to save her. The only safe place is hiding in plain sight, so embeds himself within an itinerant group of actors travelling the Italian countryside. With assassins close behind, Danilo, together with a cast of libertines, courtesans, and fellow spies, witnesses the agony of the Renaissance: Protestants warring with Catholics, the Inquisition threatening everyone, and the Ottoman Empire poised to invade the heart of Europe. As fear and panic

spread throughout the Jewish communities of Italy, a promise of a new lifeline emerges, and Danilo may be the only one who can ensure it.

A Concordance of the Proper Names in the Holy Scriptures Jul 06 2020

Newman on Vatican II Apr 14 2021 John Henry Newman is often described as 'the Father of the Second Vatican Council'. He anticipated most of the Council's major documents, as well as being an inspiration to the theologians who were behind them. His writings offer an illuminating commentary both on the teachings of the Council and the way these have been implemented and interpreted in the post-conciliar period. This book is the first sustained attempt to consider what Newman's reaction to Vatican II would have been. As a theologian who on his own admission fought throughout his life against theological liberalism, yet who pioneered many of the themes of the Council in his own day, Newman is best described as a conservative radical who cannot be classed simply as either a conservative or liberal Catholic. At the time of the First Vatican Council, Newman adumbrated in his private letters a mini-theology of Councils, which casts much light on Vatican II and its aftermath. The leading Newman scholar, Ian Ker, argues that Newman would have greatly welcomed the reforms of the Council, but would have seen them in the light of his theory of doctrinal development, insisting that they must certainly be understood as changes but changes in continuity rather than discontinuity with the Church's tradition and past teachings. He would therefore have endorsed the so-called 'hermeneutic of reform in continuity' in regard to Vatican II, a hermeneutic first formulated by Pope Benedict XVI and subsequently confirmed by his successor, Pope Francis, and rejected both 'progressive' and ultra-conservative interpretations of the Council as a revolutionary event. Newman believed that what Councils fail to speak of is of great importance, and so a final chapter considers the kind of evangelization—a topic notably absent from the documents of Vatican II—Newman thought appropriate in the face of secularization.

An Introduction To Moral Theology, 2nd Edition Oct 28 2019 Faith & Morals Here - carefully documented, footnoted, and indexed - is not only what the Church teaches but also why it is obligated to do so. And, why its members are obligated to examine and to apply that teaching. This updated and expanded edition of a text long trusted and widely used in colleges, universities, and seminaries (as well as in high schools and parish religious-education programs), offers the latest Catholic teaching on moral theology, including: Moral theology: its nature, purpose, and biblical foundation Human dignity, free human action, virtue, and conscience Natural law, moral absolutes, and sin Christian faith and our moral life Read why - and how - living what the Church teaches can transform hearts, minds, and souls.

Philip II and Alexander the Great Oct 01 2022 The careers of Philip II and his son Alexander the Great (III) were interlocked in innumerable ways: Philip II centralized ancient Macedonia, created an army of unprecedented skill and flexibility, came to dominate the Greek peninsula, and planned the invasion of the Persian Empire with a combined Graeco-Macedonian force, but it was Alexander who actually led the invading forces, defeated the great Persian Empire, took his army to the borders of modern India, and created a monarchy and empire that, despite its fragmentation, shaped the political, cultural, and religious world of the Hellenistic era. Alexander drove the engine his father had built, but had he not done so, Philip's achievements might have proved as ephemeral as had those of so many earlier Macedonian rulers. On the other hand, some scholars believe that Alexander played a role, direct or indirect, in the murder of his father, so that he could lead the expedition to Asia that his father had organized. In short, it is difficult to understand or assess one without considering the other. This collection of previously unpublished articles looks at the careers and impact of father and son together. Some of the articles consider only one of the Macedonian rulers although most deal with both, and with the relationship, actual or imagined, between the two. The volume will contain articles on military and political history but also articles that look at the self-generated public images of Philip and Alexander, the counter images created by their enemies, and a number that look at how later periods understood them, concluding with the Hollywood depiction of the relationship. Despite the plethora of collected works that deal with Philip and Alexander, this volume promises to make a genuine contribution to the field by focusing specifically on their relationship to one another.

A Father departing. A sermon [on 2 Kings ii. 12] on the departure of ... I. M. ... By one who, as a son with a father, served with him in the Gospel [viz. C. Mather].
Dec 23 2021

Vatican I and Vatican II Sep 27 2019 Vatican I and Vatican II represent two of the three ecumenical councils in modern times, yet relatively few studies have sought to understand their relation to one another. In fact, the councils are often positioned as mutually exclusive so that one must choose either Vatican I's or Vatican II's presentations of church and ecclesial authority. Failing to understand the relationship between these councils inhibits the church's self-understanding and risks misinterpreting key aspects of its own tradition. This book uses the questions of what, why, and how the councils taught to frame and demonstrate significant points of continuity, complementarity and difference between them

Between Two Fathers Oct 09 2020

The Fathers Volume II Jan 24 2022 "Let us now devote our attention to the Apostolic Fathers; that is, to the first and second generations in the Church subsequent to the Apostles. And thus, we can see where the Church's journey begins in history." -- Pope Benedict XVI The Fathers of the Church exhorted believers in the face of persecution while fighting heresies and misunderstandings. They were theologians and philosophers, orators and pastors, leaders and problem solvers, martyrs and heroes. In Volume II of this popular series of papal talks on the Fathers of the Church, Pope Benedict focuses on St. Leo the Great through St. Bernard. He carefully explains their rich history and the vital role each one played not only in preserving the Church at the time, but also in anchoring the Church of today as well as the future.

The Fathers of the Church Jul 26 2019 "The Fathers of the Church: A Comprehensive Introduction presents the most important authors and works of the early history of Christian literature. Spanning the first seven hundred years of Christianity, Hubertus R. Drobner introduces writers such as Philo, Origen, Eusebius, Jerome, and Augustine, among many others. All of the authors are presented in their respective political, social, ecclesiastical, and cultural contexts, and are organized in terms of bibliographies, editions, English translations, ancillary sources, and relevant literature."--Jacket.

Nicene and Post-Nicene Fathers: Athanasius: Select works and letters Jan 30 2020

The Sins of the Father Mar 14 2021 On the heels of the international bestseller *Only Time Will Tell*, Jeffrey Archer picks up the sweeping story of the Clifton Chronicles.... Only days before Britain declares war on Germany, Harry Clifton, hoping to escape the consequences of long-buried family secrets, and forced to accept that his desire to marry Emma Barrington will never be fulfilled, has joined the Merchant Navy. But his ship is sunk in the Atlantic by a German U-boat, drowning almost the entire crew. An American cruise liner, the SS Kansas Star, rescues a handful of sailors, among them Harry and the third officer, an American named Tom Bradshaw. When Bradshaw dies in the night, Harry seizes on the chance to escape his tangled past and assumes his identity. But on landing in America, he quickly learns the mistake he has made, when he discovers what is awaiting Bradshaw in New York. Without any way of proving his true identity, Harry Clifton is now chained to a past that could be far worse than the one he had hoped to escape.

Philip II, the Father of Alexander the Great Mar 26 2022 Philip II was not only the father of Alexander the Great, but in many respects was also the father of his son's incredible career. It was the father who unified Macedonia into the first European nation and who created the army with which his son conquered the Persian Empire and inaugurated the Hellenistic Age. This volume is not the standard biography, but rather an examination of the major controversies concerning his life and reign. How did Philip in roughly twenty years transform a divided territory and little more than a geographical conception into a national state? How did he change the very nature of ancient Western warfare? How did he transform this formerly exploited region into the master of the Greek world? Each chapter discusses one of the major academic controversies surrounding this transformative figure, bringing new clarity to the career of a man whose reputation has been so overshadowed by his illustrious son.

Nuggets from the Father Vol II Sep 19 2021 Do you have a daily devotional? Do you enjoy it? Who leads who? To enjoy God's presence, we permitted Him to do the talking. All that Paa and Joyce did was sit at His feet and listen to wisdom from above. Relax, enjoy and share with your loved ones.

The Apostolic Fathers, A New Translation and Commentary, Volume II May 28 2022 This is the second in a new six volume translation of and commentary on the works of the Apostolic Fathers. The writings of these men, which immediately follow the books of the New Testament, make up a body of literature that provides indispensable source material for the study of the formation of the Christian Church. Interest in the early Church is higher today than ever before. Theologians, religious authorities, students, and historians find the initial stages of Church development relevant to the contemporary structure of the Church. Volume 2, First and Second Clement, provides translation of and commentary on two of the best-known writings of the Apostolic Fathers. The First Letter of Clement or, more accurately, the letter of the Roman Church to the Corinthian community, provides a significant mixture of scriptural and non-scriptural motifs. The so-called Second Letter of Clement is neither a letter nor by Clement. Actually it is a sermon which deals first with self-control and more generally with exhorting the hearers to repentance and thereby to salvation and life. Not until the rise of historical scholarship in the nineteenth century could its real importance begin to be adequately assessed.

Try Us: the Story of the Washington Artillery in World War II May 04 2020

Dogmatic Constitution on Divine Revelation Jul 30 2022 This document's purpose is to spell out the Church's understanding of the nature of revelation--the process whereby

God communicates with human beings. It touches upon questions about Scripture, tradition, and the teaching authority of the Church. The major concern of the document is to proclaim a Catholic understanding of the Bible as the "word of God." Key elements include: Trinitarian structure, roles of apostles and bishops, and biblical reading in a historical context.

On the Holy Spirit Jun 28 2022 St. Ambrose commences his argument by complimenting the Emperor, both for his faith and for the restitution of the Basilica to the Church; then having urged that his opponents, if they affirm that the Holy Spirit is not a servant, cannot deny Him to be above all, adds that the same Spirit, when He said, "All things serve Thee," showed plainly that He was distinct from creatures; which point he also establishes by other evidence.

The Child of Two Fathers Nov 09 2020

The Queen May 16 2021 A short biography of one of the most recognized yet still mysterious women in the world, Queen Elizabeth II, from the New York Times bestselling author of *The Kingdom* Elizabeth of York was not born to be Queen. She came into the world on April 21st, 1926, the equivalent of the modern Princess Beatrice, first-born daughter of the Duke of York, destined to flutter on the royal fringe. So while Lilibet was brought up with almost religious respect for the crown, there seemed no chance of her inheriting it. Her head was never turned by the personal prospect of grandeur—which is why she would prove so very good at her job. Elizabeth II's lack of ego was to prove the paradoxical secret of her greatness. For more than thirty years acclaimed author and royal biographer Robert Lacey has been gathering material from members of the Queen's inner circle—her friends, relatives, private secretaries, and prime ministers. Now, in *The Queen*, Lacey offers a life of the celebrated monarch, told in four parts that capture the distinctive flavor of passing eras, and reveal how Elizabeth II adapted—or, on occasions, regally declined to adapt—to changing times.

A Panther's Father II Apr 26 2022 ?Granny Z? or Zella Roosevelt, a cherished and beloved 105-year-old ancient storyteller, continues telling her amazing children tales encompassing her family's history from within a blind alleyway in New York City to youngsters seeking life's acceptance and love. And, as always, her rebellious grandson known as the Panther or JeanPaul follows life's challenging paths and is now a Most Wanted man in the dangerous world of underground forfeit fighting. Granny Z's son, Ricky Roosevelt, and Ricky's best friend, Buster Brocks, continue trying to protect Los Angeles as LAPD Supervisors. JeanPaul's mother is now married to Terry Bradhearst who makes daily financial decisions that impacts the world. God is in this book. And Jesus. And the Holy Spirit. And God's Angels. There is also Officer Oliver, Colonel Bradley, and General Reynolds. And Victoria Roosevelt who is also known by her fellow US Marines as Vicious.

Of War and Men Jul 18 2021 Fathers in the fifties tend to be portrayed as wise and genial pipe-smokers or distant, emotionless patriarchs. This common but limited stereotype obscures the remarkable diversity of their experiences and those of their children. To uncover the real story of fatherhood during this transformative era, Ralph LaRossa takes the long view—from the attack on Pearl Harbor up to the election of John F. Kennedy—revealing the myriad ways that World War II and its aftermath shaped men. Offering compelling accounts of people both ordinary and extraordinary, *Of War and Men* digs deep into the terrain of fatherhood. LaRossa explores the nature and aftereffects of combat, the culture of fear during the Cold War, the ways that fear altered the lives of racial and sexual minorities, and how the civil rights movement affected families both black and white. Overturning some calcified myths, LaRossa also analyzes the impact of suburbanization on fathers and their kids, discovering that living in the suburbs often strengthened their bond. And finally, looking beyond the idealized dad enshrined in TV sitcoms, *Of War and Men* explores the brutal side of family life in the postwar years. LaRossa's richly researched book dismantles stereotypes while offering up a fascinating and incisive chronicle of fatherhood in all its complexity.

His Fathers Son Feb 22 2022 A selection of Dr. Baumbach's literary endeavors is featured on his website given below. The first book of his trilogy, "His Father's Son: Book

1—He Wore a Clerical Collar,” was published in June of this year. This second book of the trilogy will also carry the date of 2015. It is the fifth book that he has published in the last three years. A 2016 publication date is planned for the final book of the trilogy, “His Father’s Son: Book 3—He Wears a White Collar.” In that forthcoming volume, Julius resumes a contentious disposition regarding the institutional church while achieving amazing financial success as a Swedish masseur. www.bernardbaumbach.com

Brave Men, Gentle Heroes Oct 21 2021 Brave Men, Gentle Heroes presents the frank, moving, and harrowing stories of men who served in World War II and of their sons who served in Vietnam -- fathers and sons bonded as deeply by their common experience in war as by blood. These are men who served in the army, navy, air force, and Marine Corps. Officers and enlisted men, career servicemen and citizen soldiers. Men of European, African, Asian, Latino, and Native American ancestry. Men who speak with the authentic voices of an Indiana farmer, a Brooklyn bus driver, a Louisiana businessman, a Seattle machinist. The contrasts between World War II and Vietnam are everywhere in these compelling accounts: the clear aims of World War II, the muddled goals of Vietnam; the heroes' welcome accorded World War II veterans, the scorn heaped upon their sons. But the stories in Brave Men, Gentle Heroes are also rich with elements intrinsic to all wars and all soldiers: courage, honor, service, duty, youth, adventure, fear, idealism, love of country and of family, exasperation with military bureaucracy. In these pages you will find war's carnage and war's heroism, war's purpose and war's futility, war's meaning and war's tragic meaninglessness. Taken together, the stories in Brave Men, Gentle Heroes tell the history of two wars, each the defining experience of a generation. This is history told not at the level of presidents and generals, but through the recollections of men who shouldered the rifles, manned the ships, and flew the planes. We're familiar with the effects of the two wars on world politics. But what did they do to American families? Molded by the awful crucible of war, these seemingly ordinary men offer extraordinary insights into what it means to be a warrior, an American, a father, and a son. Brave Men, Gentle Heroes is a book for those who have been to war and those who have been spared its horror. It is a book for individuals to reflect upon and families to share.

Exposition of the Christian Faith Nov 02 2022 The author praises Gratian’s zeal for instruction in the Faith, and speaks lowly of his own merits. Taught of God Himself, the Emperor stands in no need of human instruction; yet this his devoutness prepares the way to victory. The task appointed to the author is difficult: in the accomplishment whereof he will be guided not so much by reason and argument as by authority, especially that of the Nicene Council.

Radical Relations Feb 10 2021 In Radical Relations, Daniel Winunwe Rivers offers a previously untold story of the American family: the first history of lesbian and gay parents and their children in the United States. Beginning in the postwar era, a period marked by both intense repression and dynamic change for lesbians and gay men, Rivers argues that by forging new kinds of family and childrearing relations, gay and lesbian parents have successfully challenged legal and cultural definitions of family as heterosexual. These efforts have paved the way for the contemporary focus on family and domestic rights in lesbian and gay political movements. Based on extensive archival research and 130 interviews conducted nationwide, Radical Relations includes the stories of lesbian mothers and gay fathers in the 1950s, lesbian and gay parental activist networks and custody battles, families struggling with the AIDS epidemic, and children growing up in lesbian feminist communities. Rivers also addresses changes in gay and lesbian parenthood in the 1980s and 1990s brought about by increased awareness of insemination technologies and changes in custody and adoption law.

Go Ask Your Dad Aug 26 2019 Go Ask Your Dad challenges fathers from different faiths, cultures, and generations to come together and answer tough questions dads, children, and families face today. Fathers must learn from the past, be prepared now and in the future to discuss everything from sexual education and identity to what kind of career path a youth could choose. They need to have answers on how to handle negative things such as cyber-bullying and ISIS, but also must encourage good choices for health, happiness and a brighter tomorrow. The authors of Go Ask Your Dad don't claim to be perfect dads; they do promise, in this book, you will find valuable lessons from their mistakes and successes.

Gregory of Nyssa Against Eunomius Aug 31 2022 It seems that the wish to benefit all, and to lavish indiscriminately upon the first comer one’s own gifts, was not a thing altogether commendable, or even free from reproach in the eyes of the many; seeing that the gratuitous waste of many prepared drugs on the incurably-diseased produces no result worth caring about, either in the way of gain to the recipient, or reputation to the would-be benefactor. Rather such an attempt becomes in many cases the occasion of a change for the worse. The hopelessly-diseased and now dying patient receives only a speedier end from the more active medicines; the fierce unreasonable temper is only made worse by the kindness of the lavished pearls, as the Gospel tells us. I think it best, therefore, in accordance with the Divine command, for any one to separate the valuable from the worthless when either have to be given away, and to avoid the pain which a generous giver must receive from one who treads upon his pearl, and insults him by his utter want of feeling for its beauty.
