[The House at the End of the Road](#) [May 28 2022](#) A powerful story about race and identity told through the lives of one American family across three generations In 1914, in defiance of his middle-class landowning family, a young white man named James Morgan Richardson married a light-skinned black woman named Edna Howell. Over more than twenty years of marriage, they formed a strong family and built a house at the end of a winding sandy road in South Alabama, a place where their safety from the hostile world around them was assured, and where they developed a unique racial and cultural identity. Jim and Edna Richardson were Ralph Eubanks's grandparents. Part personal journey, part cultural biography, [The House at the End of the Road](#) examines a little-known piece of this country's past: interracial families that survived and prevailed despite Jim Crow laws, including those prohibiting mixed-race marriage. As he did in his acclaimed 2003 memoir, *Ever Is a Long Time*, Eubanks uses interviews, oral history, and archival research to tell a story about race in American life that few readers have experienced. Using the Richardson family as a microcosm of American views on race and identity, [The House at the End of the Road](#) examines why ideas about racial identity rooted in the eighteenth century persist today. In lyrical, evocative prose, this extraordinary book pierces the heart of issues of race and racial identity, leaving us ultimately hopeful about the world as our children might see it.

[Desert Notebooks](#) [Jul 06 2020](#) Layering climate science, mythologies, nature writing, and personal experiences, this New York Times Notable Book presents a stunning reckoning with our current moment and with the literal and figurative end of time. [Desert Notebooks](#) examines how the unprecedented pace of destruction to our environment and an increasingly unstable geopolitical landscape have led us to the brink of a calamity greater than any humankind has confronted before. As inhabitants of the Anthropocene, what might some of our own histories tell us about how to confront apocalypse? And how might the geologies and ecologies of desert spaces inform how we see and act toward time—the pasts we have erased and paved over, this anxious present, the future we have no choice but to build? Ehrenreich draws on the stark grandeur of the desert to ask how we might reckon with the uncertainty that surrounds us and fight off the crises that have already begun. In the canyons and oases of the Mojave and in Las Vegas's neon apocalypse, Ehrenreich finds beauty, and even hope, surging up in the most unlikely places, from the most barren rocks, and the apparent emptiness of the sky. [Desert Notebooks](#) is a vital and necessary chronicle of our past and our present—unflinching, urgent—yet timeless and profound.

[Although Of Course You End Up Becoming Yourself](#) [Nov 21 2021](#) NOW A MAJOR MOTION PICTURE, STARRING JASON SEGAL AND JESSE EISENBERG, DIRECTED BY JAMES PONSOLDT An indelible portrait of David Foster Wallace, by turns funny and inspiring, based on a five-day trip with award-winning writer David Lipsky during Wallace's Infinite Jest tour In David Lipsky's view, David Foster Wallace was the best young writer in America. Wallace's pieces for Harper's magazine in the '90s were, according to Lipsky, "like hearing for the first time the brain voice of everybody I knew: Here was how we all talked, experienced, thought. It was like smelling the damp in the air, seeing the first flash from a storm a mile away. You knew something gigantic was coming." Then Rolling Stone sent Lipsky to join Wallace on the last leg of his book tour for *Infinite Jest*, the novel that made him internationally famous. They lost to each other at chess. They got iced-in at an airport. They dash to Chicago to catch a make-up flight. They endure a terrible reader's escort in Minneapolis. Wallace does a reading, a signing, an NPR appearance. Wallace gives in and imbibes titanic amounts of hotel television (what he calls an "orgy of speculation"). They fly back to Illinois, drive home, walk Wallace's dogs. Amid these everyday events, Wallace tells Lipsky remarkable things—everything he can about his life, how he feels, what he thinks, what terrifies and fascinates and confounds him—in the writing voice Lipsky had come to love. Lipsky took notes, stopped envying him, and came to feel about him—that grateful, awake feeling—the same way he felt about *Infinite Jest*. Then Lipsky heads to the airport, and Wallace goes to a dance at a Baptist church. A biography in five days. [Although Of Course You End Up Becoming Yourself](#) is David Foster Wallace as few experienced this great American writer. Told in his own words, here is Wallace's own story, and his astonishing, humane, alert way of looking at the world: here are stories of being a young writer—of being young generally—trying to knit together your ideas of who you should be and who other people expect you to be, and of being young in March of 1996. And of what it was like to be with and—as he tells it—what it was like to become David Foster Wallace. "If you can think of times in your life that you've treated people with extraordinary decency and love, and pure uninterested concern, just because they were valuable as human beings. The ability to do that with ourselves. To treat ourselves the way we would treat a really good, precious friend. Or a tiny child of ours that we absolutely loved more than life itself. And I think it's probably possible to achieve that. I think part of the job we're here for is to learn how to do it. I know that sounds a little pious." —David Foster Wallace

[Life At The End Of The Road](#) [Jun 04 2020](#) There is a very real darkness that dwells deep in our souls - and some have learned to set it free. When Laura Kamryn disappears on a trip back to her remote hometown, her distraught fiancé Rey Morfin convinces Laura's childhood friend Anna Tyndall to return to the small town of Redbury to help investigate. Using Anna's knowledge of the local area, and more importantly, the people, Rey hopes to find Laura - alive. But beneath the surface, a wickedness stirs. The residents allude to a rampant fire that scarred the town, a witch from whom the children flee, and monstrous shapes that lurk in the shadows. Rey's journey will take him to the darkest corners of the English countryside, encountering a mysterious root, afternoon tea, and beings that are perhaps human no more.

[The End of the Road](#) [Oct 21 2021](#) A wonderfully quixotic, charming and surprisingly uplifting travelogue which sees Jack Cooke, author of the much-loved *The Treeclimbers Guide*, drive around the British Isles in a clapped-out forty-year old hearse in search of famous - and not so famous - tombs, graves and burial sites.

[End of the Road](#) [Feb 10 2021](#) ON THE ROAD TO NOWHERE Each step leads you closer to your destination, but who, or what, can you expect to meet along the way? Here are stories of misfits, spectral hitch-hikers, nightmare travel tales and the rogues, freaks and monsters to be found on the road. The critically acclaimed editor of *Magic*, [The End of the Line and House of Fear](#) has brought together the contemporary masters and mistresses of the weird from around the globe in an anthology of travel tales like no other. Strap on your seatbelt, or shoulder your backpack, and wait for that next ride... into darkness. An incredible anthology of original short stories from an exciting list of writers including the best-selling Philip Reeve, the World Fantasy Award-winning Lavie Tidhar and the incredible talents of S.L. Grey, Ian Whates, Jay Caselberg, Benjamin Sriduangkaew, Zen Cho, Sophia McDougall, Rochita Loenen-Ruiz, Anil Menon, Rio Youers, Vandana Singh, Paul Meloy, Adam Nevill and Helen Marshall.

[The Road to the World's End](#) [Jan 12 2021](#) Sigurd Hoel (1890-1960) was one of the most influential literary figures in Norway between the wars. His scope was broad: besides being a major novelist, he was a subtle and incisive literary critic, a vigorous cultural commentator, and a distinguished editor. The poet Andre Bjerke said at Hoel's death in 1960: "Had he written in English, he would have had a worldwide reputation." Among Hoel's major writings are *The Road to the World's End*, *The Troll Circle*, and *Meeting at the Milestone*. *The Road to the World's End* is a classic study of childhood and adolescence. Though the book has a dense image structure and a thematic range and depth that only an adult mind and sensibility could master, throughout its changing perspectives the narrational voice remains that of a growing child and a developing teenager.

[The Road Less Traveled](#) [Aug 19 2021](#) During a pivotal few months in the middle of the First World War all sides-Germany, Britain, and America-believed the war could be concluded. Peace at the end of 1916 would have saved millions of lives and changed the course of history utterly. Two years into the most terrible conflict the world had ever known, the warring powers faced a crisis. There were no good military options. Money, men, and supplies were running short on all sides. The German chancellor secretly sought President Woodrow Wilson's mediation to end the war, just as British ministers and France's president also concluded that the time was right. *The Road Less Traveled* describes how tantalizingly close these far-sighted statesmen came to ending the war, saving millions of lives, and avoiding the total war that dimmed hopes for a better world. Theirs was a secret battle that is only now becoming fully understood, a story of civic courage, awful responsibility, and how some leaders rose to the occasion while others shrank from it or chased other ambitions. "Peace is on the floor waiting to be picked up!" pleaded the German ambassador to the United States. This book explains both the strategies and fumbles of people facing a great crossroads of history. *The Road Less Traveled* reveals one of the last great mysteries of the Great War: that it simply never should have lasted so long or cost so much.

[The End of the Road](#) [Nov 02 2022](#) [Ever Is a Long Time](#) [Sep 27 2019](#) Like the renowned classics *Praying for Sheetrock* and *North Toward Home*, *Ever Is a Long Time* captures the spirit and feel of a small Southern town divided by racism and violence in the midst of the Civil Rights era. Part personal journey, part social and political history, this extraordinary book reveals the burden of Southern history and how that burden is carried even today in the hearts and minds of those who lived through the worst of it. Author Ralph Eubanks, whose father was a black county agent and whose mother was a schoolteacher, grew up on an eighty-acre farm on the outskirts of Mount Olive, Mississippi, a town of great pastoral beauty but also a place where the racial dividing lines were clear and where violence was always lingering in the background. *Ever Is a Long Time* tells his story against the backdrop of an era when churches were burned, Medgar Evers and Martin Luther King were murdered, schools were integrated forcibly, and the state of Mississippi created an agency to spy on its citizens in an effort to maintain white supremacy. Through Eubanks's evocative prose, we see and feel a side of Mississippi that has seldom been seen before. He reveals the complexities of the racial dividing lines at the time and the price many paid for what we now take for granted. With colorful stories that bring that time to life as well as interviews with those who were involved in the spying activities of the State Sovereignty Commission, *Ever Is a Long Time* is a poignant picture of one man coming to terms with his southern legacy.

[Beyond Road's End](#) [Dec 31 2019](#) The book chronicles the adventures of Ed and Janice Schofield including building their own home, learning about the wild plants, the people and the wildlife of the area. Short episodic chapters keep readers turning the pages full of "can-do spirit" and live in the last frontier. Part love story, part adventure, and part natural history, this is a charming memoir.

[End of the Road](#) [May 04 2020](#) This book offers a unique look at streets as locations that can evolve to support the economic, social, cultural and natural aspects of cities. It focuses on how the power of streets can be harnessed to shape more dynamic spaces for walking, biking and living and stimulate urban vitality and community regeneration.

[The End of the Road](#) [Dec 11 2020](#) The Tour de France is always one of the sporting calendar's most spectacular and dramatic events. But the 1998 Tour provided drama like no other. As the opening stages in Ireland unfolded, the Festina team's soigneur Willy Voet was arrested on the French-Belgian border with a car-load of drugs. Raid after police raid followed, with arrest after arrest hammering the Tour. In protest, there were riders' strikes and go-slows, with several squads withdrawing en masse and one expelled. By the time the Tour reached Paris, just 96 of the 189 starters remained. And of those 189 starters, more than a quarter were later reported to have doped. The 1998 Tour de France's status as one of the most scandal-struck sporting events in history was confirmed. Voet's arrest was just the beginning of sport's biggest mass doping controversy - what became known as the Festina affair. It all but destroyed professional cycling as the credibility of the entire sport was called into question and the cycling family began to split apart. And yet, ironically, the 1998 Tour was also one of the best races in years. *The End of the Road* is the first English-language book to provide in-depth analysis and a colourful evocation of the tumultuous events during the 1998 Tour. Aislaidh Fotheringham uncovers, step by step, how the world's biggest bike race sank into a nightmarish series of scandals that left the sport on its knees. He explores its long-term consequences - and what, if any, lessons were learned.

The End of the Road Oct 09 2020 Twenty-eight-year-old Jacob Horner, historian Joe Morgan, and his wife Rennie are a desperate bed-hopping threesome brought together by a strange doctor-psychiatrist-mentor

A Very Simple Crime Dec 23 2021 A twisting debut novel of murder and dark family secrets from a riveting new voice in crime fiction. A murdered woman. A grieving husband. And their son—a mentally handicapped adult with a history of violent outbursts. A very simple case. Or is it? Leo Hewitt, an Assistant DA once blamed for setting free a notorious child-killer, is eager to redeem himself with this intimate and grisly crime. As he digs below the surface he discovers more than he ever anticipated—including an emotionally disturbed wife, a husband who'd do anything to escape his disastrous marriage, and an accused young man with no apparent means of defense. But with each shocking new revelation, Leo is only led deeper and deeper into the darkness—an inescapable trap of blood bonds and twisted family secrets.

The Road Jul 30 2022 NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's new novel, *The Passenger*.

At the End of Ridge Road Jun 24 2019 Presents Native American teachings through the author's review of his life in the Adirondacks, exploring the importance of being one with the earth, the need to respect nature, and the concept of time in the natural world.

Solid State Aug 07 2020 Acclaimed Beatles historian Kenneth Womack offers the most definitive account yet of the writing, recording, mixing, and reception of Abbey Road. In February 1969, the Beatles began working on what became their final album together. Abbey Road introduced a number of new techniques and technologies to the Beatles' sound, and included "Come Together," "Something," and "Here Comes the Sun," which all emerged as classics. Womack's colorful retelling of how this landmark album was written and recorded is a treat for fans of the Beatles. Solid State takes readers back to 1969 and into EMI's Abbey Road Studio, which boasted an advanced solid state transistor mixing desk. Womack focuses on the dynamics between John, Paul, George, Ringo, and producer George Martin and his team of engineers, who set aside (for the most part) the tensions and conflicts that had arisen on previous albums to create a work with an innovative (and, among some fans and critics, controversial) studio-bound sound that prominently included the new Moog synthesizer, among other novelties. As Womack shows, Abbey Road was the culmination of the instrumental skills, recording equipment, and artistic vision that the band and George Martin had developed since their early days in the same studio seven years earlier. A testament to the group's creativity and their producer's ingenuity, Solid State is required reading for all fans of the Beatles and the history of rock 'n' roll.

The Light at the End of the Road Apr 14 2021 For fans of *The Ghost Next Door*, a new spine-tingling mystery-romance. New York Times Bestselling Author GINNY BAIRD *The Light at the End of the Road* All Samantha Williams wants is to find her way home. Her father's critically ill and the family doesn't believe he'll make it through the weekend. But the fates and Mother Nature aren't cooperating. Icy rain has caused highway closings along Sam's precipitous mountain route, and she's forced to take treacherous back roads. When her car hits black ice and skids into a ditch, Sam fears for her survival. Then a stranger appears on the scene to offer her a hand. Only, after a while, Sam starts to fear this handsome mystery man is leading her in the wrong direction... Jake Marlow normally doesn't travel this road at night. In fact, he barely gets back to the country. But a business emergency has him taking chances with the weather in his trustworthy SUV. At least, he believed it trustworthy until it blew two tires this evening. Seeking shelter in the storm, he comes across a beautiful woman in even more dire circumstances than his own. While he's sure he's never met her, there's something about Samantha Williams he feels he knows. Driven to protect her and get her to safety, Jake's prepared to make any sacrifice. Yet the mysterious light they're chasing eludes them time and again.

The Road Trip Oct 28 2019 Two exes reach a new level of awkward when forced to take a road trip together in this endearing and humorous novel by the author of the international bestseller *The Flatshare*. What if the end of the road is just the beginning? Four years ago, Dylan and Addie fell in love under the Provence sun. Wealthy Oxford student Dylan was staying at his friend Cherry's enormous French villa: wild child Addie was spending her summer as the on-site caretaker. Two years ago, their relationship officially ended. They haven't spoken since. Today, Dylan's and Addie's lives collide again. It's the day before Cherry's wedding, and Addie and Dylan crash cars at the start of the journey there. The car Dylan was driving is wrecked, and the wedding is in rural Scotland—he'll never get there on time by public transport. So, along with Dylan's best friend, Addie's sister, and a random guy on Facebook who needed a ride, they squeeze into a space-challenged Mini and set off across Britain. Cramped into the same space, Dylan and Addie are forced to confront the choices they made that tore them apart—and ask themselves whether that final decision was the right one after all.

At the End of the Road Oct 01 2022 From the critically acclaimed author of *A Very Simple Crime*, a chilling story of a young boy coming to grips with genuine evil. A red dirt road on a sweltering day. A car loses control, flips through the air. A woman crawls out, bloody and battered, staggers toward the boy on the bike, the one she swerved to avoid. But he runs away... Kyle is ten in the summer of 1976, and his world is all about secrets—secrets hidden in the maze of cornfields, in caves, in the embers of scorched earth, behind creaking doors and down basement stairs... and in the darkest of hearts. But there's a policewoman at the front door. The Paralyzed Man watches him from a neighboring porch. And no matter which way Kyle turns, no place seems safe anymore...

The Negro Motorist Green Book Aug 26 2019 The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

End of the Road Feb 22 2022 "My name is Brian Keene. I'm a writer by trade and a road warrior by heart. Neither of these things are wise career or life choices. The tolls add up. Over the last twenty years, things have changed. Book tours have changed, publishing has changed, bookselling has changed, conventions have changed, horror fiction and the horror genre have changed. I've changed, too. The only things that haven't changed are writing and the road. They stay the same. The words we type today are the past tomorrow. Everything is connected like the highways on a map are connected. This holds true for the history of our genre, as well. I rode into town twenty years ago. Now I'm riding out. You're all coming with me..." So begins Brian Keene's *End of the Road*—a memoir, travelogue, and post-Dante Macabre examination of modern horror fiction, the people who write it, and the world they live—and die—in. Exhilarating, emotional, heartfelt, and at times hilarious, *End of the Road* is a must-read for fans of the horror genre. Introduction by Gabino Iglesias.

The House at the End of the Road Aug 31 2022 A heartwarming read about the unexpected joys inside an old house

Joan Lunden's a Bend in the Road Is Not the End of the Road Sep 07 2020 With millions of Americans watching, one of the nation's most popular television personalities,

Joan Lunden, made a life-altering transition with grace and ease as she brought to a close two decades of hosting *Good Morning America*. For the first time Joan candidly reveals how she approached such an enormous challenge as an opportunity for growth -- and how you can, too. For each change that occurred during the course of those twenty years, Joan had an entire nation watching her respond, commenting on the things that she did, critiquing the way that she did them, and putting forth opinions on what she should do next: "People I had never met constantly offered me suggestions about how I should handle my divorce, how I should raise my children, and the career choices I should make after *GMA*. I was a private citizen with the normal stresses that a mother, wife, and businesswoman endures on a daily basis, going through life's changes in a public arena." We all go through change. Whether it's an illness in the family, a divorce, teenagers acting out, losing a job, having to move, or kids leaving the nest, one thing is certain: Change is the only thing we can count on. Yet, while change is the one constant in our lives, it often produces the greatest amount of fear. In this inspiring new book, Joan shows us the importance of staying levelheaded in the face of crisis no matter what or whom you're facing. Both an intimate self-portrait and a practical blueprint for living a happier, more fulfilling life, *A Bend in the Road is Not the End of the Road* proves once again why so many viewers have followed Joan Lunden for so many years.

The End of the Road Mar 26 2022 Drifter John Walker has no friends, but he's so engaging that Maxie invites him over for dinner. The next day he moves on and is later found dead in his motel room. What looks like a simple suicide quickly grows more complicated when police discover that Walker was living under an assumed identity. Maxie tries to fathom why he would choose to end his life where the U.S. highway system ends—and where Maxie just might meet a dead end of her own.

Dead-End Road Apr 02 2020 Detective Harry Mason has rejoined the South African Police Service after a two-year leave of absence, and moved over to the specialised Serious and Violent Crimes unit, headed by the tough and fiery veteran commander Superintendent Carl 'Blackie' Swarts. Soon afterwards, Harry is assigned to investigate the slaying of a minor politician and his family, in a township west of Johannesburg. The case, at first seemingly unsolvable, is abruptly solved by an enigmatic grassroots anarchist whom Harry befriended during the apartheid riots of the '80s, and soon the SVC is hot on the heels of one of the country's most secretive and violent vigilante groups, known as 'The Guardians', headed up by two brothers whose brutality is legendary amongst the poor inhabitants of Johannesburg's squatter camps. As the investigation slices away at the layers of secrecy surrounding this group, other secrets surface - truths that ultimately pose a threat to Harry's unit, and to the city at large. When Harry is abruptly gunned down by unseen assassins during a dawn raid on a remote village, and a bomb is detonated in the judicial heartland of Johannesburg, his former police partner and long-time friend, Detective Jacob Tshabalala, is forced to take matters into his own hands, and expose a splinter faction of vigilantes operating within the police service itself - a faction whose connections stretch all the way into parliament itself.

The Road that Has No End May 16 2021 This story is written as it happens, on the road. Digital technology and dot-com know-how are in harmony with minimalist living. The result is salt-of-the-earth drama related to the fly through an internet journal, culminating in a series of captivating true stories. A winning combination of integrity and know-how, with a relaxing informal prose, become informative nonfiction that reads like a novel. This first book progresses from the shedding of a traditional lifestyle to discoveries made on their bicycle journey from Arizona, USA to Panama City, Panama. On bicycle, the Travises are exposed to the ground level of society, an experience few outsiders will ever know. Along the way, the Travises witness a religious pilgrimage in Chalma, Mexico, visited ancient Aztec and Mayan ruins, were attacked by an airplane spraying pesticides in Guatemala and saw alligators, scarlet Macaws and three-toed sloths in the jungles and cloud forests of Costa

Rica. You can check on their location, catch up on the latest news, and view stunning photographs from their global bicycle tour at their extensive web site: <http://www.downtheroad.org>.

Angel End Road — Mar 02 2020 Freelance journalist Colton West can't wait to finally end it with the rich and shallow Martin. Their relationship had been a mistake from the beginning. But just when Colton feels that he's made it clear to Martin it's over and he can move on with his life and career, he gets a phone call that will change his world forever. Whitfield, Vermont, is the sleepy little town where Colton grew up, a town he couldn't wait to leave. It's also the place where his best high school friend was found murdered years before, left on a road outside town that goes nowhere. The killer was never caught, although a stoic old man named George Hill, who lived with his young grandson in the only house on that road, was considered by many to be the prime suspect and passed away several years later. But now, another boy has been found dead at the end of that same lonely road, with his body eerily laid out in the same disturbing manner as Colton's best friend. And this time, the victim is Colton's fifteen-year-old nephew. With the original murder suspect deceased, Colton knows the killer of both teenagers is still on the loose, perhaps preparing to strike again, and Colton won't rest in his investigation until he unearths the whole, ugly truth.

Love at the End of the Road — Sep 19 2021 At an auspicious meeting at rural dating service Table for Six, Rae meets and falls in love with Northland farmer and honest Kiwi bloke Rex Roadley. What lies ahead is not without its challenges and heartaches, and the need (on both sides) to compromise. Love at the End of the Road is a love story with a difference. Rae's charming story is beautifully written from the heart; not only does she find love with Rex, but she finds out more about herself than she ever knew. Woven through her account is the story of the great house itself at Batley and the history of the surrounding countryside. Morphing from city to rural life isn't an easy transition, but Rae simply rolls up her sleeves and gets on with it. Together, she and Rex begin to transform the charming but battered historic villa, Batley House. As their relationship settles and deepens, they pay heed to Rae's 'thundering biological clock' and consider parenthood while Rae, who lost her mother in her late teens and, soon afterwards, her way in life, continues on her path of self discovery. Rae is drawn into every aspect of life on a 400ha sheep and beef farm: from training her cattle dog Floss to slogging through the rain and mud, competing at A&P shows, catering for the hordes at the Maungaturoto Country Club, moving cattle & including one spectacular moment in which she is mown down but unharmed by a marauding bull. Love at the End of the Road is a heart-warming, amusing and inspiring story about one woman's journey of discovery. It is also a very candid and courageous story; one that explores universal themes and delves into the 'hidden corners' of a loving relationship, revealing all its joys and tribulations. Rae writes unflinchingly about what she gives up, and gains, in her new life with Rex, and just what it means to find 'love at the end of the road'.

The End of the Road — Jun 28 2022 A nationally syndicated radio raconteur welcomes listeners to The End of the Road, a small Alaska town inhabited by "real" characters—unpretentious, funny, and, at times, quite touching.

In Search of Captain Zero PA — Jan 30 2020 In 1996, Allan Weisbecker sold his home and his possessions, loaded his dog and surfboards into his truck, and set off in search of his long-time surfing companion, Patrick, who had vanished into the depths of Central America. In this rollicking memoir of his quest from Mexico to Costa Rica to unravel the circumstances of Patrick's disappearance, Weisbecker intimately describes the people he befriended, the bandits he evaded, the waves he caught and lost en route to finding his friend. In Search of Captain Zero is, according to Outside magazine, "A subtly affecting tale of friendship and duty. [It] deserves a spot on the microbus dashboard as a hell of a cautionary tale about finding paradise and smoking it away." In Search of Captain Zero: A Surfer's Road Trip Beyond the End of the Road is a Booksense 76 Top Ten selection for September/October.

The End of the Road — Jun 16 2021 "Everybody has secrets, but some want to leave them behind... They say life is a journey, but what happens when you get to the end of the road?"

Join Antonia for this gripping new installment in the Hamptons Murder Mystery series from Carrie Doyle! **Death on West End Road** is an entertaining mystery that will keep you guessing right up until the end.

The Floating Opera and The End of the Road — Apr 26 2022 The Floating Opera and The End Of The Road are John Barth's first two novels. Their relationship to each other is evident not only in their ribald subject matter but in the eccentric characters and bitterly humorous tone of the narratives. Both concern strange, consuming love triangles and the destructive effect of an overactive intellect on the emotions. Separately they give two very different views of a universal human drama. Together they illustrate the beginnings of an illustrious career.

At Road's End — Jul 18 2021 In 1999 Barbara Ann Lee, a beloved West Tennessee horsewoman, and her dog are kidnapped in her own SUV while having lunch at a fast-food drive-in. Subsequently, she was then tortured and murdered by three teenagers at the end of an old farm road. She pleaded with her killers not to take the life of her dog, Otis. The murderers soon lead two dozen law enforcement officers from four separate agencies on a 24-mile, two-state car chase that ends with their capture in a Mississippi wheat field. Their arrests mark the beginning of an anguishing odyssey for widower Bob Lee, who must endure years of trials and a lawsuit while trying to find the strength in his heart, mind and soul to forgive the killers who show no remorse. Just as his wife pleaded for her life and that of her dog, Bob Lee begged the killers for information about her last moments of life. Finally, one of the killers agreed to write a transcript of her last words. Under heavy guard, the killer met with Lee, flaunting a white envelope that he teased him with during their conversation. At the end of the meeting, he refused to give him the envelope. Lee and the guard followed him to the elevator, at which point the killer handed him the envelope as he stepped onto the elevator. When Lee opened the envelope it contained only blank pages. At Road's End is a true story about one of the most heinous crimes in Tennessee history, written with the help of the victim's husband who travelled an extraordinary journey in an effort to forgive the three teenage killers who so brutally ended his wife's life. As his gut-wrenching journey progresses, he moves from the position of a victim to a victim's advocate and finds personal victory over the darkness in his life.

The End Of The Road — Jan 24 2022 When five college friends cross America in a minivan to find themselves, they chance upon a road that isn't on any map. They can't resist exploring it. The van breaks down. They find a town, a massive trailer park steeped in squalor. The town isn't on any map either. They find people in town. They'll wish they hadn't. The only sanctuary is the Big House—a giant mansion at the center of town that appears to be abandoned, only all the lights come on at night. Inside the Big House is the secret of the town. Inside, they'll finally find themselves. They won't like what they find.
